Portland Art Museum

#SWINGFORTHEFENCES

WE ENHANCE CHILDREN'S LIVES THROUGH BASEBALL'S POWER TO TEACH.

Who says baseball has to be over in November? Sponsor your table of ten for a memorable night for our Annual Swing for the Fences Gala. Step into the ballpark of your memories at Portland Art Museum's Ballroom to help more youth receive the Full Count experience.

Full Count is our after school and summer youth program that teaches life skills through academic and social enrichments and physical recreation. Full Count is not your average sports recreation program – we design our curriculum for the whole child and help them build confidence in their physical abilities through fun and engaging baseball inspired games and inspire positive self-identity and goal attainment through educational and social enrichments that include math, history, science, and art. And demand for our program is at all time high with a growing waitlist of schools

After receiving **mentorship** through our programs, youth exhibit **leadership skills**, **self-confidence**, and **positive self-identity** – the tools that help youth thrive on and off the field.

Join the Seattle Mariners, Tonkon Torp, Mammoth HR, DeJarnett Sales, and Baseballism with your commitment to help every child have the opportunity and tools to swing for the fences on the field and in life.

Swing Away,

Jordan Bice,
FOB Board Member & Swing for the Fences Gala Chair
