## President's Report – Club Bega

Dear Members,

It is a privilege to present my first President's Report for our club.

In what can be described as a difficult economic environment, I am thrilled to announce that our club has achieved an outstanding financial performance, with a net profit of \$770,708.

This remarkable achievement reflects the dedication and hard work of our team, as well as the continued support of our valued members.

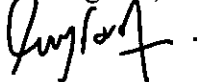

In addition to our financial success, the Board has made progress on several key initiatives aimed at enhancing the overall experience for our members. With the new club house DA being submitted & the golf shed ready for construction 2026, it is looking to be a big year moving forward.

I would like to also acknowledge the departures of long serving staff member Kyle Bourke, who has served our club with distinction for the past 15 years, while we farewell Kyle, we look forward with optimism & enthusiasm to what the future holds for Club Bega. We are confident that with the collective efforts of our team, we will continue to thrive and prosper in the years to come.

As we reflect on the past year, I am filled with immense pride and gratitude for the strength and resilience of our club community. Together, we have achieved milestones that have positioned us for a bright and prosperous future.

In closing, I extend my sincere thanks to each & every member of our club for your unwavering support and dedication. Your commitment to our shared vision is the driving force behind everything we do, and it is truly an honour to serve as your President. Thank you for your continued trust and confidence in Club Bega Ltd

Kind regards,

Adam Twyford

President  
Club Bega

## Managers' Report

To Members,

I'm pleased to present the financial results for the year ended 31 December 2025, with the Club recording a surplus of \$770,708, a strong improvement on the \$419,054 achieved last year.

The year has again highlighted the ongoing pressures facing regional clubs, including rising costs, increased compliance requirements, and growing competition for members, visitors, and community engagement. Despite these challenges, Club Bega has delivered a strong result and remains in a sound and stable position moving forward.

Before depreciation, the Club achieved a result of \$1,135,063 one of the strongest underlying performances in recent years. This reflects the continued strength of our core revenue streams and a steady focus on managing costs and improving efficiency across the business. The balance sheet also remains strong, with net assets increasing to \$9.85 million, providing a solid foundation for ongoing investment in facilities and member services.

Across Club Bega operations, trading was solid throughout the year. The Bar and Bistro continued to provide a welcoming and vibrant hub for members and visitors, with steady results.

The Bistro had a pleasing year, returning to a positive result after previous losses. This improvement came through tighter cost control, menu changes, and a strong focus on day-to-day operations, along with the ongoing commitment of staff to delivering quality service while maintaining financial sustainability.

Bega Country Club continues to play an important role in both the Club and the wider community. The Friday night Bistro remains popular and well supported, contributing strongly to the social life of the Club. Golf participation has continued to grow across all age groups, with strong fields in events such as the Men's Open and increasing junior involvement, which is very encouraging for the future of the game. While maintaining the golf course is a significant cost, it continues to offer excellent value and remains a key part of the Club's identity and community presence.

All rental properties remain fully tenanted and continue to provide a reliable and stable source of income. These investments remain an important part of the Club's long-term financial position and help support core operations.

I would like to sincerely thank all staff for their hard work and commitment throughout the year, and acknowledge the valuable contribution of Natasha Anderson, whose professionalism and support in the office helps keep everything running smoothly.

A special thank you also goes to Mark and his team for the excellent work in maintaining and presenting the Tarraganda course and Bega greens.

I would also like to thank the Golf, Bowls and Squash Committees for their ongoing commitment and contribution. Their work in supporting participation, organising events, and promoting their sports plays an important role in the overall success of the Club.

I would also like to acknowledge our volunteers, who generously give their time across both clubs to support events, committees, and day-to-day activities. Along with the support of our sponsors, they are a big part of what makes the Club work so well.

I would also like to acknowledge the departure of Kyle Bourke after 14 years of dedicated service to the Club and thank him for his significant contribution during that time. We wish him all the very best for the future.

Finally, thank you to the Board for their ongoing guidance and support, and to all members for your continued loyalty. We look forward to another successful year ahead and welcoming you all back in 2026.

Kind Regards

Directors' report

31 December 2025

The directors present their report on Club Bega Ltd for the financial year ended 31 December 2025.

## Information on directors

The names of each person who has been a director during the year and to date of the report are:

---

### Howard Blacker

---

Qualifications	Investor
Date of appointment	25 March 2010

---

### Monica Cullen

---

Qualifications	Caterer
Date of appointment	24 April 2019

---

### Michael Haigh

---

Qualifications	Self Employed
Date of appointment	2 May 2018

---

### Jason Heffernan

---

Qualifications	Engineer
Date of appointment	4 August 2016

---

### David Jones

---

Qualifications	Retired Teacher
Date of appointment	17 April 2014

---

### Caine Parbery

---

Qualifications	Business Owner
Date of appointment	2 May 2024

---

### Adam Twyford

---

Qualifications	General Manager
Date of appointment	1 June 2023

---

Directors have been in office since the start of the financial year to the date of the report unless otherwise stated.

## Principal activities

The principal activity of Club Bega Ltd during the financial year was the provision of sporting facilities and a Registered Club.

No significant changes in the nature of the Company's activity occurred during the financial year.

### Short and long term objectives

The Company's short term objectives are to provide quality sporting and club facilities for the benefit of members and guests.

### Strategy for achieving the objectives

To achieve these objectives, the Company adopts current registered club industry practices and strategies to ensure that the short and long term objectives are met.

### Performance measures

The following measures are used within the Company to monitor performance:  
the quality of the service and facilities provided to members;

- the ability to generate strong cash flows from its operating activities;
- the trading and overall financial result; and
- the stability of the balance sheet with respect to the Company's liquidity and the total levels of debt

### Members' guarantee

Club Bega Ltd is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person who ceased to be a member in the year prior to the winding up, is limited to \$10 subject to the provisions of the company's constitution. At 31 December 2025 the collective liability of members was \$44,890 (2024: \$34,660).

### Events after the reporting date

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in future financial years.

### Meetings of directors

During the financial year, 12 meetings of directors were held. Attendances by each director during the year were as follows:

	Number eligible to attend	Number attended
Howard Blacker	12	11
David Jones	12	12
Jason Heffernan	12	8
Monica Cullen	12	12
Caine Parbery	12	10
Michael Haigh	12	12
Adam Twyford	12	11

# Club Bega Ltd

## Notes to the financial statements

For the year ended 31 December 2025

### 1. Introduction

The financial report covers Club Bega Ltd as an individual entity. Club Bega Ltd is a not-for-profit Company Limited by Guarantee, incorporated and domiciled in Australia. The Company was incorporated as a Company limited by guarantee on 13 July 1972 (# 001 011 383) under the NSW Companies Act, 1961, NSW. It is registered with the Australian Business Register - Australian Business Number (#97 001 011 383) and is registered for Goods & Services Tax purposes. The registered office and principal place of business of the company is 82 Gipps Street, BEGA, NSW, 2550.

The functional and presentation currency of Club Bega Ltd is Australian dollars.

The financial report was authorised for issue by the Directors on 19 February 2026.

Comparatives are consistent with prior years, unless otherwise stated.

### 2. Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

### 3. Material accounting policy information

#### a. Revenue

##### i. Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

Generally, the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

**3. Material accounting policy information (continued)**

**a. Revenue (continued)**

**ii. Specific revenue streams**

The revenue recognition policies for the principal revenue streams of the Company are:

**1) Sales revenue**

Sale revenue includes bar sales, poker machine income, catering income, greens income, keno income and TAB income. All of the services and goods for these revenue items are provided to customers at the time of the sale and income is accounted for at that time. If deposits are held for any of these revenue items a liability is booked until the service or goods have been provided to the customer and then for as income.

**2) Membership income**

Membership income is received in advance for the period of membership paid for. A liability is booked for membership income received in advance with the income spread over the membership period paid for.

**3) Other income**

Other income is recognised on an accruals basis when the Company is entitled to it.

**b. Income tax**

The Company is a Not-for-Profit Entity with a main objective of providing quality sporting facilities in Bega NSW. The Board has reviewed its income tax status and have assessed the Company to be exempt from income tax under section 50-45 of the Income Tax Assessment Act, 1997 (Cth). Consequently, no provision for taxation has been made in the financial statements.

**c. Property, plant and equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

**i. Land and buildings**

Land and buildings are measured using the cost model.

**ii. Plant and equipment**

Plant and equipment is measured using the cost model.

**3. Material accounting policy information (continued)**

**c. Property, plant and equipment (continued)**

**iii. Depreciation**

Property, plant and equipment, excluding freehold land, is depreciated on a basis over the asset's useful life to the Company, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

The estimated useful lives used for each class of depreciable asset are shown below:

<b>Fixed asset class</b>	<b>Useful life</b>
Land	N/A
Buildings	40 years
Capital works in progress	N/A
Plant and equipment	3-15 years

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

When an asset is disposed, the gain or loss is calculated by comparing proceeds received with its carrying amount and is taken to profit or loss.

**d. Investment properties**

Investment properties are held at cost which includes expenditure that is directly attributable to the acquisition of the investment properties. The investment properties are depreciated on a straight line basis over 40 years.

**e. Leases**

At inception of a contract, the Company assesses whether a lease exists.

**i. Lessee accounting**

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

**3. Material accounting policy information (continued)**

**e. Leases (continued)**

**i. Lessee accounting (continued)**

**1) Exceptions to lease accounting**

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

**ii. Lessor accounting**

When the Company is a lessor, the lease is classified as either an operating or finance lease at inception date based on whether substantially all of the risks and rewards incidental to ownership of the underlying asset have been transferred to the lessee. If the risks and rewards have been transferred then the lease is classified as a finance lease, otherwise it is an operating lease.

If the lease contains lease and non-lease components then the non-lease components are accounted for in accordance with *AASB 15 Revenue from Contracts with Customers*.

The leases in place where the Company is a lessor have been classified as operating leases.

**f. Employee benefits**

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

**g. Financial instruments**

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument. On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

**i. Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

### 3. Material accounting policy information (continued)

#### g. Financial instruments (continued)

##### i. Financial assets (continued)

###### 1) Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL
- fair value through other comprehensive income - equity instrument (FVOCI - equity)
- fair value through other comprehensive income - debt investments (FVOCI - debt)

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

###### 2) Amortised cost

The Company's financial assets measured at amortised cost comprise of trade and other receivables and cash and cash equivalents in the statement of financial position. Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment. Interest income is recognised in profit or loss.

###### 3) Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for financial assets measured at amortised cost. When determining whether the credit risk of a financial assets has increased significantly since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information. The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk. The Company uses the presumption that a financial asset is in default when the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held). Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

**3. Material accounting policy information (continued)**

**g. Financial instruments (continued)**

**i. Financial assets (continued)**

**4) Trade receivables and contracts assets**

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and contract asset and multiplied this by the amount of the expected loss arising from default. The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance. Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

**5) Other financial assets measured at amortised cost**

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

**ii. Financial liabilities**

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method. The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

**4. Critical accounting estimates and judgements**

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

There are no significant estimates and judgements which would have a significant effect on the financial statements.

### b. Non-core Property

At the General Meeting held on Wednesday, 5 November 2025 at 6:00 pm (Sydney time) at the Bega Country Club, members voted to reclassify Lot 3 in DP 608678 from Core to Non-Core property. All other land and buildings apart from investment properties are considered "Core Property" as per the Registered Clubs Act 1976 (NSW).

# Club Bega Ltd

## Notes to the financial statements

For the year ended 31 December 2025

### 10. Property, plant and equipment (continued)

#### c. Land & buildings

Land and buildings at the Country Club complex were valued for the Club's bank as at 15 November 2023 by an independent valuer. This value far exceeded the book value that is carried in the financial statements. Land and buildings at the Club Bega complex were valued for the Club's bank as at 20 September 2023 by an independent valuer. This value far exceeded the book value that is carried in the financial statements. Land at Club Bega (Gipps Street) has been booked at the valuation from the Department of Lands on 29 December 2009. This valuation has been deemed as the fair value of the land which was transferred to the Company upon the amalgamation with Bega Bowling & Sporting Club Limited on 12 August 2010.

#### d. Non-current assets pledged as security

Refer to Note 15 for information on non-current assets pledged as security by the Company.

#### e. Capital works in progress

Capital works in progress consists of the proposed Land Development at the Country Club and the redevelopment of the Club House.

### 11. Investment properties

Notes to the financial statements  
For the year ended 31 December 2025

## 15. Borrowings (continued)

### a. Security for borrowings

#### Bank Loan

- First Registered Mortgage over the Club property located at 82 Gipps Street, Bega.
- First Registered Mortgage over the Club property located at 153-159 Auckland Street, Bega.
- First Registered Mortgage over the Club property located at 77 Upper Street, Bega.
- General Security Interest over all present and after acquired property.

#### Mortality & Relief Fund Loan

This is an unsecured loan and is interest bearing (4% p.a.).

### b. Financing facilities

The Company has a bank loan facility of \$1,646,989 which is in place to March 2026 and is currently being reviewed. Additionally, the Company has access to a business card facility of \$10,000.

## 16. Employee benefits

Current	2025	2024
	\$	\$
Long service leave	94,012	104,339
Annual leave	156,194	120,719
	250,206	225,058

## 17. Key management personnel remuneration

The directors did not receive any remuneration from the company during the year other than reimbursement of out-of-pocket expenses that have been fully substantiated.

### Other key management personnel transactions

The Company is run by the Board of Directors. All major business decisions are made by the Board. The day to day business of the Company is run by the employees of the Company. As all major business decisions are made by the Board, no key management personnel disclosures are deemed appropriate.

### 18. Related parties

#### a. The Company's main related parties are as follows:

Key management personnel - refer to Note 17.

Other related parties include close family members of key management personnel and entities that are controlled or significantly influenced by those key management personnel or their close family members.

#### b. Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated. Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated. Staff uniforms were purchased under normal commercial terms and conditions from an entity of which directors Howard Blacker and Jason Heffernan are associated with for bar, admin and course staff to a total (including GST) of \$6,837. Director Jason Heffernan is associated with an entity that was paid \$191,593 (including GST) for consulting services for the land development at the Country Club. \$14,235 was owed for these consulting services by the Company as at 31/12/2025. Director Caine Parbery provided cleaning goods under normal commercial terms totalling \$21,260 (including GST) through a business he is associated with. \$2,131 was owed for goods purchased by the Company to this business as at 31/12/2025.

### 19. Members' guarantee

The Company is registered with the *Corporations Act 2001* and is a Company limited by guarantee. If the Company is wound up, the constitution states that each member is required to contribute a maximum of \$10 each towards meeting any outstanding obligations of the Company. At 31 December 2025 the number of members was 4,489 (2024: 3,466).

### 20. Contingencies

In the opinion of the Directors, the Company did not have any contingencies at 2025 (2024: None).

	<b>106,969</b>	<b>62,676</b>

There are currently four associated sports bodies as recognised under the constitution of the Company, managed and controlled by separate committees set up under the conditions inherent in those articles. These committee's income and expenditure has not been consolidated in the books of account of the Company nor have they been part of the audit process of the Company. These bodies hold funds in various bank accounts and investments as at 31 December 2025.

# Club Bega Ltd

## Directors' declaration

For the year ended 31 December 2025

In the directors opinion:

The financial statements and notes for the year ended 31 December 2025 are in accordance with the Corporations Act 2001 and:

- comply with Australian Accounting Standards - Simplified Disclosures; and
- give a true and fair view of the financial position as at 31 December 2025 and of the performance for the year ended on that date of the Company.

In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Adam Twyford  
Director

David Jones  
Director

Dated: 19 February 2026

## Independent Audit Report to the members of Club Bega Ltd

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report, being a simplified disclosure financial report of Club Bega Ltd (the Company), which comprises the statement of financial position as at 31 December 2025, the statement of income and retained earnings and the statement of cash flows for the year then ended, and notes to the financial statements, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2025 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is included in the annual report, (but does not include the financial report and our auditor's report thereon). Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

## Independent Audit Report to the members of Club Bega Ltd (Continued)

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [https://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). This description forms part of our auditor's report.
