

ALPHA HEALTH SERVICES

Compassionate Intellectual Disability Support

Pennsylvania ODP-Enrolled Provider • Serving all 67 Counties in Pennsylvania

OUR CORE VALUES

Compassion

We treat every individual with dignity, empathy, and genuine care because every person deserves to be seen, heard, and supported.

Communication

We partner openly and proactively with SCOs, families, and support teams to ensure aligned, coordinated, seamless care.

Commitment

We show up. Reliably, consistently, and with full dedication, for every individual we are privileged to serve.

OUR SERVICES

Community Participation Support (CPS)

High-Priority Waiver Service

Structured, goal-aligned activities that help individuals with IDD engage meaningfully in community life. Developing skills, building relationships, and pursuing personal goals in alignment with their ISP.

In-Home & Community Support (IHCS)

Promotes Independence & Daily Living

Personalized, one-on-one support is provided in the home and community. Promotes independence, daily living skills, and quality of life. All fully tailored to each individual's unique ISP goals and preferences.

Companion Support

Relationship-Based Care

Consistent, warm companionship providing safety, socialization, and meaningful engagement for individuals in familiar settings. Strengthened by meaningful, trust-based relationships between individuals and the professionals who support them.
