

Sustainability at Dolphin Suites — Our Commitment to People & Planet

 At Dolphin Suites & Wellness, we believe that true hospitality goes hand in hand with care — care for our guests, our island, and our planet.

That's why we are continuously working to make our operations more sustainable — environmentally, socially, and economically.

Our approach is inspired by the **17 Sustainable Development Goals (SDGs)** of the United Nations, and we've translated those into practical goals that guide our daily work.

Our Promise to the Environment

 We love our island and the beauty that surrounds us.

That's why we do everything we can to reduce our environmental impact — by saving energy and water, reducing waste, and choosing eco-friendly products wherever possible. Every small step helps to protect Curaçao's nature for future generations.

Our Promise to the Community

 We're proud to be part of Curaçao's warm and vibrant community.

We support local businesses, celebrate local culture, and work with partners who share our values.

By doing so, we help strengthen the island's economy — and give our guests a more authentic island experience.

Our Promise to Children and Families

 As a family-friendly hotel, we welcome many guests with children, including children with disabilities.

Their safety and well-being are always our top priority.

We see it as our social responsibility to create a place where every child can enjoy their stay safely, freely, and joyfully.

Our Promise to Our Team

 We believe a happy team creates happy guests.

That's why we are committed to offering a safe, inclusive, and inspiring workplace for everyone.

We respect and protect human rights and never tolerate discrimination or harassment of any kind — regardless of gender, age, background, or orientation.

Everyone deserves respect, opportunity, and a smile at work.

Our Promise to Our Guests

 And finally — our guests are at the heart of everything we do.

We are dedicated to offering the highest level of service, with genuine care and attention.

Our mission is simple: to make your stay relaxing, memorable, and meaningful — in a place that cares about more than comfort alone.

 With sunny regards,

Inês de Smit
Hotel Manager
