## **Solemnity of Saints Peter and Paul – June 29**

On June 29, the Church celebrates the **Solemnity of Saints Peter and Paul**, two great apostles and pillars of the early Church. Though very different in personality and mission, both Peter and Paul were united in their love for Christ and their unwavering dedication to spreading the Gospel.

**Saint Peter**, the fisherman chosen by Jesus to be the "rock" upon which the Church would be built, reminds us of the power of faith and forgiveness.

Despite his denial, Peter was entrusted with leading the Church and became the first Pope.

**Saint Paul**, once a fierce persecutor of Christians, experienced a radical conversion and became the Church's most tireless missionary. His letters form a significant part of the New Testament and continue to guide Christians in faith and practice.

Together, Peter and Paul represent the unity and universality of the Church—Peter, the shepherd of the Jewish Christians, and Paul, the apostle to the Gentiles.

Let us honor their witness and ask for their intercession as we strive to live boldly and faithfully in our own call to discipleship.

**Saints Peter and Paul, pray for us!**

## Solemnity of Ss. Peter & Paul, Apostles

Hello Friends,

Congratulations to all of the Putnam County Fair students and their families for another successful year with their animals and projects! Great job keeping your animals cool and comfortable!

Occasional extreme heat is what we expect every summer. We pray for the health and well-being of everyone who works outside. There are a couple of saints who can help us out during this time of year. St. Bartholemew the Apostle for helping with our sunburns (he is an intercessor for skin afflictions) and St. Medard (who is popular in Florida) is an intercessor for those exposed to weather extremes, including heatwaves!

Of course, our major summer celebration is just around the corner. The 4<sup>th</sup> of July party started early with some local fireworks. Safety first! Enjoy the upcoming holiday!

It's a special time for our nation. If you've been following the national news you know that this summer marks the 250<sup>th</sup> Anniversary of the Battle of Bunker Hill (near Boston). (We also celebrated the 250<sup>th</sup> Anniversary of the U.S. Army.) For anyone who enjoys American history this year and next will be a great opportunity for learning. Next year we'll celebrate the Semiquincentennial of America with our 250<sup>th</sup> Anniversary! Of course, the major destinations for tourists will be to places like Philadelphia and Boston and perhaps even other historic cities such as Savannah, places with American Revolution roots. For all of us it'll be a good time to reflect on the meaning of being an American. Our history as Catholic Americans is unique. Most of us, with our later immigrant roots, were not part of "Founding Fathers and Mothers" and "Pilgrims" of the Mayflower or the patriots of the Revolution or the War of 1812. Quite to the contrary. In the early years (with some exceptions) we would not have been welcomed in those early New England settlements! (For generations, anti-Catholicism ran deep in the Colonies.) But we Catholics found a way to both be true to our Catholic faith and to integrate as Americans. Everyone has their role in history.

But, locally, we do have a special connection to the American Revolution. Israel Putnam was a leader of the Battle of Bunker Hill. So many of our first soldiers were citizen soldiers, leaving home for battle only when necessary. Putnam, whom our Putnam County is named after, was a citizen soldier of high rank having experience in previous wars. When tension rose in 1775, he famously abandoned his plow, and rode at top speed from his home in Connecticut to the Boston area and helped take charge of what became known as The Battle of Bunker Hill. Putnam, aka "Old Put", distinguished himself by keeping the citizen

soldiers occupied and alert and ready (including taunting the British). Although the Battle of Bunker Hill was technically a victory for the British it was at great cost to them; and it proved that Americans were serious and were "in-it to win-it". So, we remember our namesake and we remember the story of our country this week!

Summer is also the time some of us travel. It is that time of year when I will be heading down South (Southeast Georgia) to see my family. Thank you in advance for the prayers! We also thank Fr. John and Fr. Steve for celebrating the masses during this first part of July. In family news, my mom and my brother Michael recently rescued three little kittens; it was a secret rescue, because that puts them over the quota for pets in the house. We'll see how it goes! (I'm ok with the pets, except for the big cat that bites my toe!) —Fr. George Mahas—

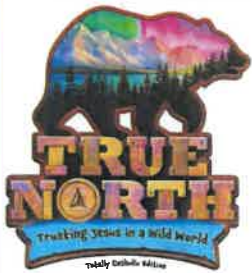

## Mulch Day Gratitude!

We had an amazing group of students of all ages—along with their parents, and even grandparents—come together last Saturday to lay mulch around the church grounds, trees, and Parish Center!

A bit **thank you** to our students from ICY group, those completing Confirmation service hours, and even our enthusiastic elementary school helpers. Everyone chipped in early to beat the heat and make our parish grounds beautiful.

Special thanks as well to our Parish Council members and Maintenance Staff for their leadership and hands on support.

We hope you enjoy the results of this dedicated team's effort!

## Vacation Bible School—Donation Instructions

## Congratulations to Our Fair Families!

A big congratulations to all of the students, families, and volunteers who worked so hard this past week at the Putnam County Fair! Despite the heat, your positive spirits shone through, and your care and dedication were truly inspiring.

We are so proud of all our Fair families—thank you for representing our community with such heart and hard work!

## Exciting News: New HVAC System Approved for Our Parish Center!

We are happy to share some wonderful news with our parish community—our request for a new HVAC system for the Parish Center has been officially approved by the Diocese!

The current system, now over 20 years old, has served us well but has recently shown signs of age, especially during the past winter when we experienced some heating issues. With this upgrade, we look forward to a more comfortable and reliable environment year-round for all the ministries, gatherings, and events held in our Parish Center.

We are hopeful that funding for this project will be made possible through the generous support of the **Living Christ Campaign**. By replacing the system now, we are setting ourselves up for energy efficiency, comfort, and peace of mind for the next 20 years.

Thank you for your continued support and prayers as we move forward with this much-needed improvement!

## Prayer Request & Opportunity to Help – Kidney Donor Needed

The Hoersten family deeply appreciates your continued thoughts and prayers during this time.

We encourage you to plan accordingly. Thank you for your understanding!

The family of Brad Gasser is partnering with Moose Landing to continue the good work that Brad began. Brad's life and mission were cut short when he passed away from complications of malaria in July 2024 in Bujumbura, Burundi, East Africa. Brad, son of Janice (Langhals) and Sonny Gasser, had a love of learning that was likely first fueled by his parents who were also teachers.

Fore the Love of Learning is a day set aside for all of Brad's family and friends to come together and not only remember Brad and the gifts he gave to make the world a better place, but to raise money to continue his work. Brad was a simple man who did not find a need for material objects. There is no doubt that the little money he earned was returned to the community, family and students through his selfless giving.

Brad helped establish this scholarship fund to assist dedicated students attend Burundian universities who would otherwise have no means to further their education. Money raised will be exclusively used for tuition, housing, and food assistance.

**YOU can help us continue to make a difference.** On August 2, 2025, we will hold a 4-person scramble at Moose Landing in Kalida, Ohio. We'll also have alternate activities for non-golfers, a meal, raffles, a silent auction and more.

The following are some specific ways that you or your business can be involved, as an individual, family, or company.

- Golf: - \$340 for a 4-person team (\$85/golfer in honor of Brad's birth year) This fee includes a taco bar lunch) - only 26 teams can be accommodated.
- Sponsor a hole - \$100
- Donate raffle or auction items - Ideas include, products, services, use of vacation homes or timeshares.
- If your business specializes in or has access to items that you think would be appropriate for the event, please feel free to donate them.
- All donations are tax deductible as Tujenge Scholars is a 501(c)(3) not-for-profit organization
- Checks can be made out to: **The Brad Gasser Memorial Scholarship Fund**
- Please email [Michelle.LanghalsWeadock@gmail.com](mailto:Michelle.LanghalsWeadock@gmail.com) or call/text Michelle at 614-668-9593 for more information.
