DISMISSAL/PICK UP — WED, SEPT 24, 202

—The parking spots in the yellow box above are reserved for dismissal.

1. Drivers, please enter the row # of the youngest child's grade that you're picking up (rows will be marked).
2. At 7:30, the 1st grade class will come outside, and we will release the first row to pull up to the pick-up area. **Three to four cars can be loading in the area at a time** (see blue box above). Once that row is empty, we'll release the next row to the pick up area.

NOTES:

- For older siblings/carpooling: They will be instructed to meet the youngest sibling/child to walk outside with and all enter vehicle together.
- If you arrive after your row has already been released, still pull into your row and drive up to the cone. We will get to you.
- If you want to meet your child by foot at any door, please park on the street or in a different lot.

Please contact Shelly Eickholt or child(ren)'s teacher(s) with any questions/concerns. Thank you for your cooperation for a safe dismissal.
