All purses are subject to industry funding, slot performance and simulcast revenue. ASHA reserves the right to adjust any or all stake race purses if industry funding is not sufficient to support advertised stake purses.

In the event of any discrepancy between the 2026 ASHA Stakes Guide, the ASHA website or other stake guide information and the ASHA adjusted industry funding projections, the ASHA adjustment will prevail. In the event of a discrepancy between the ASHA website and the stake guide, information on the ASHA website will prevail.

All purses are subject to Horse Racing Alberta approval.

Horse Racing Alberta may require all horses declared to stake races to be on the grounds of Century Downs or Century Mile racetracks up to 48 hours prior to the race in which such horses are to start. These horses may be placed in a retention barn.

Horses placed in retention will be subject to the Rules of Retention as directed by HRA.
