	Glen Carbon	62034	
	Edwardsville	62025	

*Note: Our target market areas indicate the general zip codes areas that we mail. However, we mail by specific carrier routes within these zip codes. We specifically target families and homeowners, and receive list data that includes the median income and median household value by carrier route within each zip code. The number of homes in each zone varies as data changes.

Marketplace is also distributed at 13 area grocery stores, Hallmark stores and the Belleville and Troy/Maryville chambers.
