Nineteenth Sunday in Ordinary Time

"You must also be prepared, for at an hour you do not expect, the Son of Man will come."

Message from Fr. Tony Hesse:

A couple of weeks ago, our staff for our AFC met and discussed working with LPi for processing and printing our bulletins. We already have them helping with our website and some parishioners are using them for their electronic contributions. Please check out the website if you have not done so (www.low.afc.org). After doing some research, using LPi (Liturgical Publications Inc.) for our bulletin offers several potential advantages:

- Professional design and content: LPi provides access to professionally-designed templates, graphics, and articles to create attractive and engaging bulletins. They also offer custom design services to create a unique and tailored look for your bulletin.
- Time-saving resources: LPi's WeCreate platform provides a digital library of content and graphics, saving time in sourcing and creating bulletin content, according to an LPi church communications expert. This includes features like weekly Gospel illustrations, saint biographies, and Catholic trivia.
- Advertising support: LPi helps secure local business advertising to offset bulletin printing costs, potentially making the bulletin free for your organization (if you do not get notified and would like your business advertised in the bulletin, please let us know).
- Digital presence: LPi offers options for online bulletin hosting and email delivery, expanding your reach beyond print copies. They also offer an online directory, ParishesOnline.com, for increased visibility within the community.
- Customer service and support: LPi provides dedicated customer support, design assistance, and resources to help with bulletin production and distribution.

- Consistent branding: LPi helps parishes discover and refine their visual identity, ensuring a consistent and effective message is conveyed through the bulletin and other communications.

In essence, LPi aims to streamline the bulletin creation process, enhance its visual appeal, reduce costs through advertising, and extend its reach through digital platforms, helping organizations better connect with their communities.

The only downside is that we will have to get the info into the parishes' offices at the beginning of the week in order to get the bulletins shipped back to us at the end. Take for example, I am writing this on Thursday for the following week's bulletin (trying to get in the habit of getting my blurb in earlier, and I will be going next week to a workshop at Mundelein Seminary, IL). Although this is going to take some adjustment (trust me, I have had the luxury of working on it still Friday), I believe it will benefit our AFC in the long run. We hope to get up and running in several weeks. As we get closer to the date, we will let you know when the deadline is for the bulletin.

Thanks Rita and Mariah for heling with this, and for all of the staff and parishioners for making the adjustment!

Please join us this Wednesday (August 13th) to come and celebrate Mass with us at St. Mathias Cemetery (corner of 180th Street and Knox Ave – SE of Wanda). If you have questions or need clarifications, please call the parish offices. The Mass is at 6pm followed by a reception in the church basement. All of the proceeds of the reception will be used to support the cemetery. Please come and pray for our deceased loved ones while being fed spiritually and physically. It also is an opportunity to help financially support our cemetery in the process. As we take care of the Church on earth, may our loved ones be welcomed into the Church in heaven! FYI: There will be no Mass Wednesday morning.
