Message from Fr Tony Hesse:

As you have been reading these last few weeks, we are working with LPI to help us with our bulletins. We are already using them for our website, and some are using them for our automatic giving. But now we are using them and their template and their printing capabilities to help us with the bulletin. I am excited about the new look. As you have been reading, please be patient with us as we make this adjustment.

Speaking of adjustment, I would also ask that you bear with me as I make the adjustment of less announcements. Or at least, less repeating of them. Please read the bulletin! Oftentimes I am repeating what is already there. Also, as a suggestion, maybe read the bulletin with your calendar handy. This way, if there is an event(s) you are interested in attending, it'll already be on your calendar.

With that being said, I would like to only make announcements of events that are that day or throughout the following week, rather than repeating it several weeks in a row. Instead, I encourage you to read about it beforehand and then I would reiterate it and announce it right before the event. For example, if I were to have an event next week (Oct 12-19), I would not say anything this weekend (Oct. 4-5) but only announce it the weekend of the 11th-12th. I know my homilies tend to be long (sorry about last weekend), but sometimes I feel the announcements are even longer. Now, although I write all this, I hope I practice what I preach. I need to prudently decide what needs to be announced and what is left for the bulletin. However, sometimes I feel I have to say something for fear that people do not read the bulletin. Please be diligent in reading the bulletin. A lot of work goes into it (even though we are sending it out), and it is filled with helpful info.

I know you all have people to see and things to do after the Masses, ultimately glorifying our Lord with your lives. Please help me to keep the announcements short so the proclamation can happen soon after the dismissal. Go in peace!

Coming Soon: Brand New Church Bulletin!!

Starting the weekend of November 16th, the parishes will have a BRAND NEW Church Bulletin. This change will save the parishes time & money; and allow for an expanded bulletin that will have a new professional look, with vibrant FULL COLOR inside the bulletin, and also for the business sponsors on the back cover! Gina Shaughnessy, our parish representative from the new printer, LPi, is currently setting up the advertising for our new bulletin. We hope you will consider advertising on the bulletin, since the revenue from the ads will make the NEW bulletin possible at no cost to the parishes. Also, if you know of any other business in the community that would like to support the parishes, please let them know about this opportunity. It's a terrific way to get your name in front of the parish families.

Advertisements can be purchased for a business, for a family, a memorial ad, or a sponsorship ad for a non-profit organization that you would like to support. This is a great way for businesses to promote what they do, while at the same time connecting with the community, and supporting the church at the same time.

Please do give these ideas some thought. We need and appreciate your help! If you would like more information, you can reach Gina Shaughnessy at (952) 356-6488, or her email is GShaughnessy@4LPi.com.
