Message from Fr Tony Hesse:

Last week, I mentioned changing when to do the “O Sacrament Most Holy Prayer”. And, as you’re reading this bulletin, you’ll have seen a change with it as well. Thanks to all who have contributed to putting this together. Keep in mind, this is a work in progress, and you may continue to see changes. For some, change is tough, others change is pretty easy. As I’ve shared before, it is what we do in that change that matters. How do we react? Are we open to change and do we accept it, or do we find ourselves becoming irritable and frustrated? What do we do and who do we go to in our frustration? Hopefully, it is our Lord. Although He may not change anything, at least you’ll know you are not alone and that you have someone with you. And not just any ordinary someone, you have God Himself. So, please lean on Him and ask for His guidance and help to accept, especially the things you cannot change. If you know of someone that’s struggling with change, bring Christ to them. This leads me to my second point. There are people who are dealing with change and finding themselves immobile and not able to get out. They are homebound. If you or a loved one is one of them, or if you are in the hospital or have a loved one there, please let the parish office know. We will try to bring Christ to you in the Eucharist. Please don’t assume that we know. If you’d like to help in the ministry of bringing Christ in Holy Communion to the hospital or homebound, please let us know. We could use more ministers. Change is always hard, especially when it comes to health and a certain diagnosis. Remember, you’re not alone. You have our Lord, the Church & our Church wants to bring Christ to you in the Eucharist. Just let us know!

Flame of Love Rosary

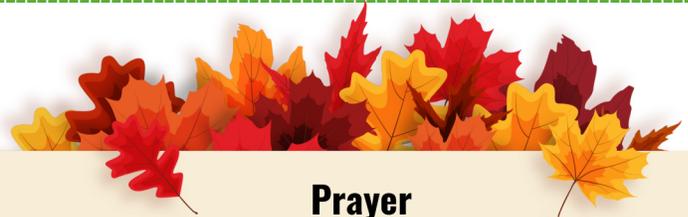

The effect of devotion to the Flame of Love is to make our parishes, families, and lives so full of Jesus by the power of grace, that Satan's influence on our families and surrounding communities is broken. Once freed from the blinding influence of Satan, our families and communities are much more open to the gospel and the way of salvation. Thus we ask our Blessed Mother to: "Spread the effect of grace of your Flame of Love over all of humanity" Join us Mondays at St. Catherine's at 5p.

Christ the King Sunday

On the last Sunday of each liturgical year, the Church celebrates the Solemnity of Our Lord Jesus Christ, King of the Universe, or Christ the King.

Pope Pius XI instituted this feast in 1925 with his encyclical Quas primas ("In the first") to respond to growing secularism and atheism. He recognized that attempting to "thrust Jesus Christ and his holy law" out of public life would result in continuing discord among people and nations. This solemnity reminds us that while governments come and go, Christ reigns as King forever.

Prayer

Lord our God, we come to You in community of faith and trust, in expectation that You will act.

May our hearts be strengthened in all the pain and in all the conflicts of our world. Reveal Your will, Almighty God, and protect those You have appointed as our leaders and rulers. Let Your will be made plain to them.
