World Day of the Sick - February 11th (USCCB)

Physician assisted suicide is often promoted as "compassionate."

But true compassion is expressed in this year's theme:

"The compassion of the Samaritan: loving by bearing the pain of the other."

For further information related to palliative care vs assisted suicide; advanced medical directives; and caring for loved ones at life's end go to USCCB Respect Life: respectlife.org vsccb.org/prolife

Thank You

Thank you to everyone for all of the prayers and cards following my surgery.

Thank you for your continued prayers as I heal.
