Little Kids Learning Center, like any other business, needs to budget expenses. We ask that you guarantee the number of days per week your child(ren) will attend the center. This allows us to project income and expenses for the budget.

If you sign your child up for certain days a week or choose full-time, you still have to pay tuition regardless if your child did not attend all days (if child attends 1 day the tuition is the same.) If your child does not attend for a full calendar week (**Monday through Friday**) then you will still owe 50% of the tuition.

If your child is absent for two weeks that will be 50% off tuition. After those two weeks, tuition will resume to full price tuition. This only applies to private pay clients, for CCAP families, the daycare co-pay will still apply. If your child is gone for longer than two weeks, chances will be that your child loses his/her spot, and you will be charged a registration fee. We are asking for two weeks' notice if you would like to withdraw your child from LKLC.

I guarantee that my child(ren) will attend Little Kids Learning Center the following number of days per week:

☐ 1 ☐ 2 ☐ 3 ☐ Full Time (4-5)

☐ Monday ☐ Tuesday ☐ Wednesday ☐ Thursday ☐ Friday

It is important as childcare givers to maintain a secure and stable environment for your child/ren. In order for us to accomplish this, we must also offer our staff, knowing that their employment with LKLC is secure and stable. This becomes an impossible task when some parents feel that they should not pay tuition when their child is absent for school from illness or vacation. Your tuition is what supports our staff salaries.

However, for each calendar week **(Monday through Friday)** if a student is absent or taking vacation, the tuition will be discounted 50% as a reservation fee. This applied to private pay only; for CCAP families, the weekly daycare copay will still apply. LKLC will require all parents to obligate themselves to their entire tuition. Should you decide to keep your child home, for any reason you will be required to pay your tuition in full for that period of absence as part of your contractual agreement with us. Should administration make any verbal agreements to accept your child after this temporary absence, you will still be obligated for outstanding balance with such balance being due with a reasonable period of time after your child's acceptance back to school.

In certain circumstances, it may be necessary for the Director/Owner to discontinue a child's attendance. Such a decision would be based on whether it is the best interest of that child, the other children in the class, and the overall operation of the Center to terminate the enrollment. Every effort will be made to correct a problematic situation before the final decision is made.

Immediate termination of enrollment may be result of the following:

- Abuse of children, staff, or property
- Disruptive or dangerous behavior
- The Center's inability to meet the child's needs
- Non-payment of tuition
- Continued violation of LKLC policies by child/parents

Whenever possible, a written notification of one week will be provided to the parents in the event of termination of enrollment.

Note: Parents will be responsible for any legal or collection fees incurred in setting delinquent accounts. We require two weeks written notice prior to withdrawal from the Center. We will charge tuition if notice is not given.

I parent of _____ have read the above tuition responsibility agreement and the fee schedule which shall become a part of my obligation and the reason for its implementation.

STATE SUBSIDY (CCAP / ACTION FOR CHILDREN)

- If parents are on the state subsidy aid program, they must be approved into the program prior to admission into the center. In addition to their co-payment, they are responsible for any differences incurred between their co-payment and the center's regular rates. Every Monday the Center co-payment is due. If Center co-pay payment is not received by the end of business day on Tuesday, there will be a daily late fee of \$10.00 until a payment is made. –This applies to full time students, if your child is part-time then you will pay the day your child comes to school. LKLC reserves the right to refuse admission to any child whose parent's fees are more than 15 days.
- Care for your child is approved for 9.5 hours a day. If you plan to keep your child at the center for longer, a \$65 late pick-up fee will apply to your account.
- If your child is absent for a whole calendar week, the \$60 daycare co-pay still applies. This ensures that your child is still enrolled in our program and saves their spot.
- Our daycare doors close promptly at 6:00 PM. If your family leaves the center past 6:00 PM, then a late pick-up fee will be applied. We must enforce this policy as our teachers need to leave on time to get to their classes/ families or appointments.

LITTLE KIDS LEARNING CENTER

LATE FEE POLICY

Dear Families:

Our facility schedules are based on your children's schedule and state mandated teacher/child ratios. When parents are late to pick up their children, it causes hardships for faculty because they are unable to leave at the end of their scheduled shift. Many teachers have families, classes, and regular commitments for which they are responsible. It can also be distressing for children to be left at the center after hours.

If your child is at the center after 6:31pm and no call was given, faculty will attempt to call parents, if parents do not pick up, we will call the first person on the emergency list, and if they do not answer we will call the next contact on list and so on, and so forth. After unsuccessful attempts to reach all your contact numbers and 30 minutes have elapsed, LKLC will call outside authorities such as the police.

Under all circumstances, the staff of LKLC shall not hold your child responsible in any way for the late pick-up, and discussion of this issue will only be with parent or guardian.

Late fees will be assessed when children are picked up after 6:00pm. The fees are 6:01-6:10pm is an automatic \$20.00 after that it will be \$2.00 a minute. This fee will double on early holiday closings. This fee is subject to change.

We appreciate your understanding and cooperation with this important policy.

LITTLE KIDS LEARNING CENTER

LATE DROP OFF POLICY

Drop off is expected by 9:30am at the latest. This is crucial for our center to comply with staffing ratios and to have the correct meal count for the day.

This policy is also in place so that your child will be able to participate in the learning activities which begin promptly at 9:30. Teachers prepare copies, crafts and other materials in the morning, coming in late will be disruptive to this process and distracting to the other children present in the classroom.

If you bring your child after 9:30am, they will not be allowed in the classroom unless the \$30 late drop off fee is paid upon entry.

GUIDANCE AND DISCIPLINE POLICY

As a part of our support, we give children positive reinforcements and helpful strategies. We will follow up with parents/guardians and let them know of their child's progress. The child has time to think about what has occurred. Then, we talk about what happened and offer advice, we help with words that enable the child to better express their feelings and frustrations in resolving conflicts. If the child continues to have problems cooperating, we then ask that the child be removed from the group somewhere separate from the rest of the children, but where they can still be seen by the teacher. When the child feels that they are ready to come back and they are cooperating or participating in the group activity, they will be allowed to do so. We are asking parents/guardians to help with cooperating and following the school rules. All discipline will be developmentally related to the child and their actions. Physical, verbal abuse or demanding methods of discipline are not permitted. Punishing a child for a toileting accident is not allowed, our staff understands that such accidents could occur anytime to anyone. All rules shall be enforced consistently. Children will be encouraged, but never forced, to participate in daily activities. Food will never be used as a punishment or a reward. Staff will intervene in struggles between the children to prevent anyone from being injured.

A behavior intervention plan is in place in which teachers will observe a child's problematic behavior. A support plan will be conducted accordingly. If a child behaves in a manner that is excessively disruptive to the group, or physically strikes another child, the director will request a meeting with the parents or guardians. At that time, a written explanation of the incident will be written, reviewed and signed by the parents and the director. If the parents/guardians or children are having difficulty cooperating with facility rules, the owner or director can request a meeting to discuss the child. We attempt to be clear and consistent with our school rules so that the children and families know what is expected of them.

Infants, toddlers, and preschool age children who, after documented attempts have been made to meet the child's individual needs, demonstrate an inability to benefit from the type of care offered by the facility, or whose presence is detrimental to the group, shall be transitioned to a different program.

LITTLE KIDS LEARNING CENTER

ALLERGIES

This letter is to inform you that we have students in our center that have life-threatening food allergies. These include **peanuts and tree nuts**.

These foods, even in trace amounts, may cause a severe reaction (anaphylaxis) that can lead to death. The following symptoms may occur hives, difficulty breathing, vomiting and diarrhea, swelling of the lips, mouth, and throat, itching and sneezing, loss of consciousness, and death due to shock. Even touching contaminated surfaces may cause a reaction. Daycare staff have been trained to recognize such a reaction and to administer medication (epinephrine) in an emergency.

Here are a few suggestions for you as parents:

- Never take food allergies lightly; they can be serious and life-threatening.
- Tell your child **"DO NOT SHARE FOOD"**
- Frequent handwashing reduces the spread of viruses and helps protect food allergic children. Teach your child to wash hands thoroughly after eating. If your child had peanut butter for breakfast, please have them wash their hands and face.
- Tell your child to get help from an adult **immediately** if a friend has a reaction.
- **Please only send snacks labeled "SCHOOL SAFE" to share during parties.**
- **Always check the bottom of the ingredient label to see if it may contain peanut/tree nut products or was processed in a peanut/nut factory.**

Thank you for your understanding and cooperation.
