## Continuing Our Work in 2026

Richmond Christian Foundation stands at a unique moment of God-given opportunity. We are poised to build on the success of the

October Gala event to spread the good news of Biblical stewardship across the Richmond community! With your support in 2026, we hope to position RCF as the trusted leader in Christian stewardship and generosity within the

Richmond region, while developing foundational systems for consistent outreach and education. Beyond 2026, our goal is to transform RCF's Richmond model into a replicable framework for Christian stewardship renewal across Virginia.
