Half Year Novice

Novice teams provide an introduction to competitive cheer. They compete their ninety-second routines in three one-day competitions local to DFW. They're not typically ranked first, second, and third. Instead, they strive to achieve a superior rating, although some competitions do rank novice teams. Practice will be on a weekday for an hour and a half October through March. Half year teams will be provided a T-shirt for practices at no additional cost.

Tryouts

September 12th or September 19th

- Athletes born in or between 2017 - 2023 12:00pm - 1:00pm
- Athletes born in or between 2011 - 2016 1:30pm - 2:30pm

Please attend only one session. Athletes will cycle through three fifteen-minute guided rotations of jumps, tumbling, and dance motions. No experience is necessary. Athletes need only their smiles, and our coaches will guide them through the process. The tryout fee is \$20.

Team Placements

We will try our best to fill teams for all athletes born in and between 2011 - 2023. All teams will be in the Novice Level 1 division. Team placements will be based on age, stunt position, tumbling skills, ability to focus, and attitude. Team placement emails will be sent Saturday, September 26th. The first practice and parent meeting will be the week of September 28th.

Team Group Chat

We will use the app, BAND, available for download from the App Store, for team group chats. Important information will be communicated from coaches and team moms through this app. Team group chats must remain positive and encouraging. If a question pertains to the whole team, please feel free to ask in the main group. If you have a question or concern about only your child, please contact your child's coach directly through BAND. At the parent meeting, we will confirm that everyone is in BAND.

Practices

Novice teams practice only once a week on a weekday for an hour and a half. Tiny teams will have one-hour practices. Specific practice times will be included in your team placement email and will remain constant throughout the season. Coaches may extend or add extra practices at any point during the season.
