1. Introduction

1.1 NSN Safer Living is a voluntary awareness campaign for the safety, health and wellbeing of students and young people in the United Kingdom and the United States. Its cornerstone is the Safer Living Pledge (the "Pledge"), a public statement of shared values that organisations and individuals can sign.

1.2 The campaign is run by NSN GLOBAL SERVICES LLC, a Delaware limited liability company (Delaware Division of Corporations entity ID 10244431), STE B, Dover, Delaware, United States of America ("NSN", "we", "us" and "our"), together with its UK subsidiary, National Student Networks Limited, registered in England and Wales with company number 15207816. National Student Networks Limited trades as The National Student Network UK ("NSN UK") and leads the campaign in the United Kingdom. NSN GLOBAL SERVICES LLC handles all enquiries about the campaign.

1.3 This document explains what the campaign is, what the Pledge means, who can sign it and how, and the terms that apply to the Pledge and to this document.

1.4 NSN Safer Living is an independent NSN initiative. It is not run, funded or endorsed by any government, police force, education institution, licensing authority or international organisation. An organisation being invited to sign, or having signed, does not mean that it endorses NSN or anything NSN does.

2. Why the Pledge matters

2.1 Young people face real risks in education, social life and nightlife. These can include physical and mental health pressures, substance misuse, drink spiking, harassment, violence and crime.

2.2 The Pledge is a simple act of solidarity. When the organisations that young people rely on say publicly that their safety, health and wellbeing matter, it helps to:

- build a culture of shared responsibility and awareness;
- encourage voluntary education and prevention efforts, without requiring new actions or resources;
- make it easier to talk about safety on campuses, in venues and in communities; and
- show young people that they are valued and supported.

2.3 The Pledge is deliberately voluntary and non-binding, so that organisations of every size and type can take part while keeping control of their own policies and meeting their own legal duties. It is not a contract, a funding arrangement, a standard, an accreditation or a regulatory tool. It is a statement of shared intent.

3. Campaign focus areas

3.1 Through NSN Safer Living, NSN aims to raise awareness and encourage action in three areas:

- Health education: promoting evidence-based information and resources on physical and mental health, consent, substance awareness and wellbeing.
- Safer nightlife: encouraging practical steps towards safer venues, staff awareness, anti-spiking campaigns and cooperation between venues, police and licensing authorities.
- Wider safety: promoting bystander intervention, online safety, safe late-night transport, peer support networks and youth-focused policy.

3.2 NSN supports the campaign by:

- preparing free awareness materials, such as this document;
- coordinating the Pledge and keeping a record of signatories;
- putting signatories, education institutions, businesses and community groups in touch with each other where they wish to work together; and
- speaking up for youth safety as part of its wider work in education.

3.3 These are the aims of the campaign. NSN does not provide safety, security, medical, counselling or training services through the campaign, and it does not inspect, audit or monitor signatories. Where NSN offers workshops, resources or joint projects, it will describe them separately, together with any terms that apply to them.

4. The Safer Living Pledge

4.1 The wording of the Pledge is set out below.

NSN SAFER LIVING

The NSN Safer Living Pledge 2026

The National Student Network UK | NSN GLOBAL SERVICES LLC

We proudly affirm our commitment to the safety, health and wellbeing of students, young people and the wider youth community in the United Kingdom and/or the United States.

We recognise that creating safer environments requires collective awareness, education and support.

In signing this Pledge, we:

1. reaffirm our existing dedication to promoting the physical, mental and emotional wellbeing of young people;
2. support efforts to raise awareness of health risks and personal safety in educational, social and nightlife settings;
3. encourage participation in voluntary education, prevention and community initiatives aimed at reducing harm to young people; and
4. commit to fostering inclusive, respectful environments in line with our own values and the law.

This Pledge is aspirational and non-binding. It does not create new legal duties or enforceable obligations, and it does not change any existing responsibilities under UK or US law, including health and safety, safeguarding, licensing, equality and criminal law. Participation is voluntary and may be withdrawn at any time.

By signing, we join others in standing together for Safer Living.

4.2 Signatories can complete the signatory record above and return a copy to NSN, or simply confirm in writing that they wish to sign, as explained in section 6.

5. Who can sign

5.1 Any organisation that shares the values of the Pledge may sign it. Organisations invited to sign include:

- universities and colleges;

- community safety partnerships and charities;
- nightlife businesses, such as clubs, bars and venues;
- government departments and public bodies, such as those responsible for education, health and home affairs, and police forces;
- student unions and youth organisations in the United Kingdom and the United States; and
- councils and local groups.

5.2 Individuals aged 18 or over may also sign the Pledge in their own name.

5.3 Anyone signing on behalf of an organisation should be authorised to do so. Public bodies and regulated organisations should check their own rules on public statements and endorsements before signing.

5.4 Signing is free. NSN does not charge for signing the Pledge and does not ask signatories for money.

6. How to take part

6.1 **Sign the Pledge.** Use the Contact Us form at www.nsnglobalservices.com/contact-us, or email engage@nsnglobalservices.com with "Safer Living Pledge" in the subject line. Please tell us the name of your organisation (or your own name, if you are signing as an individual), a contact name, and whether you agree to be named publicly as a supporter. You can attach a signed copy of the Pledge.

6.2 **Partner with us.** Organisations that would like to work with NSN on future Safer Living initiatives and projects can contact us in the same way. Any partnership is agreed separately in writing. Signing the Pledge does not create one.

6.3 **Give feedback.** We welcome feedback on the campaign and on this document. Please use the Contact Us form or email engage@nsnglobalservices.com.

6.4 **Withdraw at any time.** To withdraw your support, email engage@nsnglobalservices.com. We will stop naming you as a supporter, and will remove you from any list of supporters that we publish, as soon as reasonably practicable.

6.5 **Referring to your support.** Signatories may say publicly that they have signed the NSN Safer Living Pledge, and may display this document unaltered. Please do not describe the Pledge as a certification, accreditation, approval, audit or award, or suggest that NSN or NSN UK has checked or vouches for your premises, policies, products or services. Please ask us before using the NSN name or logo other than as part of this document.

7. Terms of the Pledge

7.1 **Status of the Pledge.** The Pledge is voluntary, symbolic and not legally binding. Signing or supporting it is a public statement of shared values only. It does not create any contract, partnership, joint venture, agency, financial commitment, legal obligation or liability for any signatory or for NSN, beyond what the law already requires, and it does not change anyone's existing legal duties.

7.2 **Signatories' responsibilities.** Each signatory remains solely responsible for deciding what steps, if any, it takes in support of the Pledge, and for its own safety, safeguarding, licensing, employment, equality and data protection arrangements and legal compliance. The Pledge is not a substitute for any of those duties or for professional advice.

7.3 **Not professional advice.** This document and the other Safer Living materials are general information to raise awareness of youth safety, health and wellbeing. They are not legal, medical, safeguarding, safety or other professional advice. If you or someone else is in immediate danger, contact the emergency services: 999 in the UK or 911 in the US.

7.4 **No endorsement or certification.** NSN does not endorse, verify, inspect or certify signatories or their premises, policies, products or services. Naming an organisation as a supporter means only that it has signed the Pledge. Referring to any other organisation in the Safer Living materials does not mean that it endorses NSN, or that it has a partnership or other formal relationship with NSN, unless this is expressly stated.

7.5 **Using this document.** You may download, print, display and share this document, unaltered, for non-commercial purposes connected with taking part in or promoting the Safer Living campaign. This includes circulating the Pledge for signature within your organisation or to partners, and displaying it on your premises or website to show your support. You must not change this document, use it for any other commercial purpose, present it as your own, or use it in a way that suggests NSN or NSN UK endorses you, your organisation or your products or services.

7.6 **Intellectual property.** This document is © NSN GLOBAL SERVICES LLC. "NSN" (UK trade mark no. UK00004211739) and the NSN logo (UK trade mark no. UK00004211741) are registered trade marks owned by Euan Hallifax and used by NSN GLOBAL SERVICES LLC and National Student Networks Limited under licence. "NSN Safer Living" is a campaign name used by NSN.

7.7 **Personal data.** NSN GLOBAL SERVICES LLC is the controller of the personal data you send us to sign the Pledge, to partner with us or to give feedback. We handle it as described in our Privacy and Cookie Policy at www.nsnglobalservices.com/privacy-policy, which explains how we use and share it, international transfers, how long we keep it, your rights and how to contact our UK representative. We name individuals or organisations publicly as supporters only with their agreement, and you can withdraw that agreement at any time. We do not sell personal data.

7.8 **Liability.** Because the Pledge is not a contract, signing it does not give rise to any liability between a signatory and NSN. NSN is not responsible for how signatories choose to act on the Pledge, or for the acts or omissions of signatories or other third parties, except to the extent that the law makes it responsible. Your use of this document and the other Safer Living materials is subject to clause 12 (Our liability) of the Terms and Conditions. Nothing in this document or in the Terms and Conditions excludes or limits liability for death or personal injury caused by negligence, for fraud or fraudulent misrepresentation, or for any other liability that cannot be excluded or limited by law, and nothing in them affects your statutory rights as a consumer.

7.9 **Changes.** NSN may update this document or the wording of the Pledge from time to time. The current version is published on the Safer Living page at www.nsnglobalservices.com/safer-living, with its version number and date. Because the Pledge is non-binding, an update does not place any new obligation on signatories, and any signatory that does not support an updated version can withdraw at any time. NSN may pause or close the campaign at any time.

7.10 **Governing law.** Any dispute about this document or the Safer Living materials is dealt with under clause 16 (Governing law and disputes) of the Terms and Conditions. If you are a consumer living in the UK, the law of England and Wales applies and you can bring proceedings in the courts of England and Wales (or, if you live there, Scotland or Northern Ireland). In all other cases, the laws of the State of Delaware apply and the state and federal courts located in Delaware have exclusive jurisdiction. Please contact us first at engage@nsnglobalservices.com so that we can try to resolve any concern informally.

7.11 **How this document fits with our other terms.** This document is part of the Safer Living materials described in clause 7 of the Terms and Conditions. It is subject to the Terms and Conditions and to the Safer Living page and downloads notice, and should be read with our Privacy and Cookie Policy and Legal Notices. If anything in this document conflicts with the Terms and Conditions, the Terms and Conditions prevail.

7.12 **This document supersedes earlier versions.** This document supersedes and replaces, in full, all previous versions of the Safer Living Pledge and its information sheet, including Version 1.0 (March 2026) and its "Disclaimers and Legal Notices" section. Earlier versions no longer apply and should no longer be displayed or circulated. Organisations that signed an earlier version do not need to sign again. Their support continues under this version unless they tell us otherwise.

7.13 **Contact.** Questions about the Pledge or this document: engage@nsnglobalservices.com, or the Contact Us form at www.nsnglobalservices.com/contact-us.
