

# SPONSORSHIP INFORMATION

Housing live animals allows us to provide authentic experiences to the children and families that visit our facility. By sponsoring an animal you are helping us to keep up with food, medical, and enrichment costs.

To be an Animal Hero all you have to do is fill out a sponsorship form that is available by emailing Karen Pac at Karen.Pac@imagination.org. Choose the animal you would like to sponsor and the level you want to sponsor at. Return the form and payment (Visa, MasterCard, and Cash or Money Orders are accepted). You will then receive an Animal Hero packet that will give you all the fun details of the animal you choose to sponsor throughout the entire year.

Sponsoring an animal can be a great gift for a birthday, a classroom, or a business! Be an Animal Hero Today!

# BE AN ANIMAL HERO

When you sponsor one of our animal ambassadors, you're helping provide daily care, healthy food, enrichment, and veterinary support, all while fueling hands-on learning experiences for children and families in our community.

Choose the animal that inspires you and select the sponsorship level that fits your goals. Every level includes a certificate, a photo of your animal, and email updates so you can follow along with their journey. Higher levels unlock special perks like free admission passes, private meet-and-greets, and an exclusive sponsor event.

Your generosity keeps our animals thriving and helps us continue to educate, inspire, and spark curiosity.

Make a difference today. Be An Animal Hero.
