

LEARN & EXPLORE WITH IMAGINE NATION FIELD WORK EXPERIENCES

Field Work Experience: \$375 for 25 students or less

All Field Work Experiences include:

- 3 hour duration
- Pre-lessons and post-lessons.
- 2 Educator led workshops plus studio time.
- 30 minutes in the Kinetic Studio (blue block building studio)
- Popcorn and the café area for lunch or snack
- Workshops designed around CT-ELDS, Next Generation Science Standards, and National Common Core State Standards and meet curriculum standards across all domains.

Choose one topic and pick two related workshops within that topic!

Please note that self-exploration of the Museum Studios is not available.

Animal Science

Characteristics, feeding, grooming and exercising animals. We have 10 different animals to choose from including reptiles and mammals.

Lab Science:

Polymers, luminescence, water absorption, and chemical reactions

Textiles:

Dyeing, spinning, weaving, and printing.

Art:

Found art, sculpture, printmaking, and paper marbling

Earth Science:

Flower and vegetable planting, lifecycle of a bee, temperature mapping, erosion, pollution, and states of matter

Pre-Lesson:

- A chosen experiment
- Scavenger hunt
- Video Links related to topic
- A family activity
- A zoom visit
- A worksheet and questions

Post-Lesson:

- Classroom visit for follow up workshop
- Experiment
- Family Activity
- Video Links
- Virtual Classroom activity
