Liberation Academy

Performance Goal	Progress
1. By August 2022, 80% of all students will reach high standards, at a minimum attaining or exceeding proficiency in reading, writing, science, and mathematics to meet the State's expectations in Domains 1, 2, and 3.	At Liberation Academy, to reach the goal of 100% of our students reaching high standards, or a minimum of 1-year's academic growth, daily small group instruction with the use of a minimum of 30% technology is the primary instructional approach to best meet the needs of ALL learners. Although we did not receive a school grade, based on the TEA 2021 Accountability Report, 32% of students MET standard and 14% MASTERED the standard. No Distinctions were awarded during the 2021-2022 school year.
2. By May 2022, Liberation Academy will implement with fidelity effective instructional strategies that meet the needs of all student groups.	Teachers meet frequently by grade level teams, content-based professional learning teams, and as a full faculty for PLC's and staff training to ensure timely and effective interventions are selected, implemented, and monitored to improve student achievement. 70% of Thinking Maps and Marzano's instructional strategies are implemented in lesson development and delivery. Teachers review formative and summative assessment data for the core subject areas of reading, math, and science, attendance data, student online assessment data to determine their instructional level and to measure academic growth three times throughout the school year, school climate and culture data, and even parent involvement data.
3. By May 2022, all students will be taught by highly qualified teachers and all support services will be provided by highly qualified instructional aides.	The Faculty and Staff of Liberation Academy meet bi-weekly for staff meetings. Each meeting begins with "GOOD THINGS" building a circle of trust and celebrating each other. Ongoing efforts to continuously build a strong culture of learning and a climate of safety and encouragement, help with teacher retention such as monthly birthday and holiday celebrations, handwritten affirmations, and continuous implementation of our Social Contract. 83% of teachers are certified and scheduled based on their area of specificity. Also, Liberation Academy participates in the Houston School Connection Fair and Teachworthy to recruit highly effective and certified teachers.
4. By May 2022, all students will be educated in a learning environment that is safe, drug-free, bully-free, and conducive to learning.	All new teachers and staff members receive professional development on Capturing Kids Hearts upon hire, and annually returning staff receive a "recharge" of the key principles and protocols of the CKH model at the beginning of the school year. 100% of our total staff has been trained in the Capturing Kids Heart model. Teachers also receive professional development in strategies such as: Structuring and Delivering Lessons, Engaging Students, Analyzing Student Performance Data, Creating a Strong Class Culture, Setting and Maintaining High Behavioral Expectations, etc.

Champions Academy

Performance Goal	Progress
1. All students will show significant growth and meet and exceed grade level performance standards in STAAR and/or MAP.	Champions Academy teachers utilize TEKS Resources to implement a scope and sequence of the district's curriculum and instruction expectations for each core content area. This allows teachers to prepare students to meet the expectations of the district's regular diagnostic assessments, quarterly benchmarks (A.S.T.R.O.S), and the state's STAAR Assessments for grades 3rd – 6th only. The passing rate of African American, Hispanic, Economically Disadvantage, At-Risk, LEP, and students with disabilities on Math standardized testing was increased to 80%, on Reading standardized testing to 80%, and Writing standardized testing scores were maintained.
2. All students will show academic growth in the School Progress domain by one grade level or more for the 2021 Accountability rating.	Student performance at "Met Standard" rating and surpassed the goal of maintaining a "C" grade or better by receiving a "B" grade or better in Academic Growth.
3. We will improve and increase school, parent, and community involvement in school related activities that impact academic achievement.	Champions Academy offers an open-door policy for parents to feel welcome and encouraged to volunteer regularly. Parent participation was increased for parental input and feedback in campus planning processes. Additionally, ongoing parent communication was fostered, and involvement was encouraged in monthly family events. Events are communicated with a monthly campus calendar of events, parent letters, call outs, the campus webpage, the Class Do Jo app, weekly take-home folders and flyers. In order to provide a more personalized opportunity to connect with faculty and staff, the campus provides events such as Open House, STAAR Parent Night, Staff/Teacher- Parent conferences for each reporting period; and a Meet the Teacher Night so that parents can ask questions about how to become more familiar with and understand the student learning expectations for their children. Social events are also held on campus such as Spring and Fall festivals, S.T.E.M. fairs, multicultural programs, and academic award ceremonies. To monitor our progress of this goal, parent surveys are distributed. Parents have expressed how they feel that their children's academic needs are being met. Community involvement was increased as local businesses were actively engaged as educational partners.
