Independent Auditors' Report

To the Board of Directors of
Leadership Education Foundation – Arrow Academy:

Report on the Financial Statements

We have audited the accompanying financial statements of Leadership Education Foundation – Arrow Academy (Arrow Academy), which comprise the statements of financial position as of August 31, 2018 and 2017 and the related statements of activities and of cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform our audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

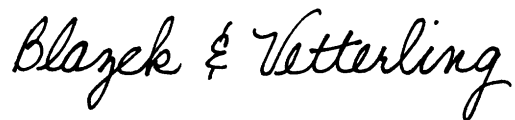

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Arrow Academy as of August 31, 2018 and 2017 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 10 through 20 is presented for purposes of additional analysis as required by the Texas Education Agency and is not a required part of the financial statements. The accompanying supplementary information included in the schedule of expenditures of federal awards for the year ended August 31, 2018 as required by Title 2 U. S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 22, 2019 on our consideration of Arrow Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to solely describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Arrow Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Arrow Academy's internal control over financial reporting and compliance.

January 22, 2019

Leadership Education Foundation – Arrow Academy

Notes to Financial Statements for the years ended August 31, 2018 and 2017

NOTE 1 – ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES

Organization – Leadership Education Foundation – Arrow Academy (Arrow Academy) operates Texas Open-Enrollment Charter Schools under state charter #021805. The charter is held by Leadership Education Foundation and is operated under the name Arrow Academy. Four schools were in operation for the 2017-2018 school year located in Houston and Bryan, Texas, serving approximately 580 students from kindergarten through 6th grades. Arrow Academy is supported by state and federal grants provided by the Texas Education Agency and by private contributions.

Federal income tax status – Arrow Academy is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(ii).

Concentration of credit risk – Cash deposits exceed the federally insured limit per depositor per institution. Amounts on deposit from federal and state sources that are in excess of the Federal Deposit Insurance Corporation limit of \$250,000 are collateralized by a security agreement with the bank.

Furniture and equipment are reported at cost if purchased or at fair value at the date of gift if donated. Arrow Academy recognizes depreciation using the straight-line method over the estimated useful lives of the assets, which range from 4 to 7 years for furniture and equipment. Arrow Academy capitalizes additions that have an individual cost of more than \$5,000.

Net asset classification – Contributions and the related net assets are classified based on the existence or absence of donor-imposed restrictions. Unrestricted net assets include those net assets whose use is not restricted by donor-imposed stipulations even though their use may be limited in other respects such as by contract or board designation.

Government grants are recognized as revenue in the period in which the services are provided. Amounts collected in advance are reported as refundable advances.

Contributions are recognized at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as restricted support.

Other revenue is recognized in the period in which services are provided.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts of reported revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

Recent financial accounting pronouncements – In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The amendments in this ASU are aimed at providing more useful information to users of not-for-profit financial statements. Under this ASU, net

assets will be presented in two classes: *net assets with donor restrictions* and *net assets without donor restrictions* and underwater endowments will be grouped with *net assets with donor restrictions*. New or enhanced disclosures will be required about the nature and composition of net assets, and the liquidity and availability of resources for general operating expenditures within one year of the balance sheet date. Expenses will be required to be presented by both nature and function and investment return will be presented net of external and direct internal investment expenses. Absent explicit donor stipulations, restrictions on long-lived assets will expire when assets are placed in service. Arrow Academy is required to adopt this ASU for fiscal year 2019. Adoption of this ASU will impact the presentation and disclosures of the financial statements.

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this ASU clarify and improve current guidance about whether a transfer of assets (or the reduction, settlement, or cancellation of liabilities) is a contribution or an exchange transaction and provides additional guidance on determining whether a contribution is conditional or unconditional. This ASU could impact the timing of revenue recognition and the financial statement disclosures related to such transactions. Arrow Academy is required to apply the amendments in its fiscal year 2020 financial statements. The amendments should be applied on a modified prospective basis, but retrospective application also is permitted. Management has not determined the eventual method of adoption of the ASU or the impact on the financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. Under this ASU, a lessee should recognize in the statement of financial position a lease liability and a lease asset representing its right to use the underlying asset for the term of the lease for both finance and operating leases. An entity may make an accounting policy election not to recognize lease assets and lease liabilities for leases with a term of 12 months or less. Recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee have not changed significantly. Qualitative and quantitative disclosures are required by lessees and lessors to enable users of financial statements to assess the amount, timing and uncertainty of cash flows arising from leases. The ASU is effective for fiscal periods beginning after December 15, 2019. Management has not yet determined the impact adoption of this ASU will have on the financial statements.

NOTE 2 – FURNITURE AND EQUIPMENT

Furniture and equipment are comprised of the following:

	<u>2018</u>	<u>2017</u>
Furniture and equipment, at cost	\$ 923,388	\$ 923,388
Accumulated depreciation	<u>(845,669)</u>	<u>(736,085)</u>
Furniture and equipment, net	<u>\$ 77,719</u>	<u>\$ 187,303</u>

Texas statutes state that property purchased with funds received by a charter school holder is considered to be public property for all purposes under state law and is to be held in trust by the charter school holder for the benefit of the students of the open enrollment charter school and may be used only for those purposes.

NOTE 3 – AFFILIATE ENTITIES

Arrow Academy, LLC, a Delaware corporation, was formed to provide educational and administrative services for charter schools. Arrow Academy has entered into an educational and administrative services agreement with Arrow Academy, LLC with an effective term through August 2019. The management fee under the agreement is based on the number of students enrolled in Arrow Academy schools and was approximately \$501,000 for the year ended August 31, 2018 and \$406,000 for the year ended August 31, 2017.

NOTE 4 – UNRESTRICTED NET ASSETS

Unrestricted net assets consist of the following:

	<u>2018</u>	<u>2017</u>
State ownership interest:		
Furniture and equipment	\$ 37,773	\$ 101,356
School operations	1,199,712	942,211
Federal ownership interest:		
Furniture and equipment	10,371	40,659
Undesignated	<u>739,153</u>	<u>750,156</u>
Total unrestricted net assets	<u>\$ 1,987,009</u>	<u>\$ 1,834,382</u>

NOTE 5 – GOVERNMENT GRANTS

Arrow Academy is the recipient of government grants from various federal and state agencies. Arrow Academy has a charter with the Texas Education Agency, which provides significant funding for school operations. Should the charter not be renewed, a replacement for this source of support may not be forthcoming and related expenses would not be incurred. Government grants include the following:

	<u>2018</u>	<u>2017</u>
State grants:		
Texas Education Agency Foundation School Program	\$ 5,500,741	\$ 4,206,497
Instructional Materials	57,661	10,058
Other state revenue	<u>2,984</u>	<u>2,704</u>
Total state grants	<u>5,561,386</u>	<u>4,219,259</u>
Federal grants:		
U. S. Department of Agriculture	399,144	259,996
U. S. Department of Education	<u>526,336</u>	<u>797,434</u>
Total federal grants	<u>925,480</u>	<u>1,057,430</u>
Total government grants	<u>\$ 6,486,866</u>	<u>\$ 5,276,689</u>

The grants from government funding sources require fulfillment of certain conditions as set forth in the grant contracts and are subject to review and audit by the awarding agencies. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds as a result

of non-compliance by Arrow Academy with the terms of the contracts. Management believes such disallowances, if any, would not be material to Arrow Academy's financial position or changes in net assets.

NOTE 6 – LEASE COMMITMENTS

Arrow Academy leases facilities and certain equipment under noncancellable operating leases. Future minimum lease payments are due as follows:

2019	\$ 629,214
2020	612,517
2021	<u>330,000</u>
Total	<u>\$ 1,571,731</u>

Rental expense was approximately \$568,000 and \$442,000 in 2018 and 2017, respectively.

NOTE 7 – MULTIEMPLOYER PENSION PLAN

Arrow Academy's full-time employees participate in the Teacher Retirement System of Texas (TRS), a public employee retirement system. TRS is a cost-sharing, multiemployer, defined benefit pension plan. All risks and costs are not shared by Arrow Academy, but are the liability of the State of Texas. For 2018, plan members contribute 7.7% of their annual covered salary; Arrow Academy contributes 6.8% for new members the first 90 days of employment, and the State of Texas contributes 6.8%. Additionally, Arrow Academy makes a 1.5% non-OASDI payment on all TRS eligible employees. Arrow Academy's contributions do not represent more than 5% of the pension plan's total contributions. Arrow Academy contributed the required contribution of \$136,408 and \$116,801 to the plan during fiscal years 2018 and 2017, respectively. There have been no significant changes that affect the comparability of 2018 and 2017 contributions.

The risks of participating in a multiemployer, defined benefit plan are different from single-employer plans because (a) amounts contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers and (b) if an employer stops contributing to TRS, unfunded obligations of TRS may be required to be borne by the remaining employers. There is no withdrawal penalty for leaving TRS.

Total TRS plan assets as of August 31, 2018 and 2017 were approximately \$176.9 billion and \$165.4 billion, respectively. Accumulated benefit obligations as of August 31, 2018 and 2017 were approximately \$209.6 billion and \$179.3 billion, respectively. The plan was approximately 74% funded at August 31, 2018 and 82% funded at August 31, 2017.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 22, 2019, which is the date that the financial statements were available for issuance. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.

Leadership Education Foundation – Arrow Academy

Charter #021805

Leadership Education Foundation – Arrow Academy

Note to Schedule of Expenditures of Federal Awards for the year ended August 31, 2018

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation – The schedule of expenditures of federal awards is prepared on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U. S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Federal expenditures include allowable costs funded by federal awards. Allowable costs are subject to the cost principles of the Uniform Guidance and include costs that are recognized in Arrow Academy's financial statements in conformity with generally accepted accounting principles. Arrow Academy has elected not to use the 10% de minimus rate for indirect costs.

Because the schedule presents only a selected portion of the operations of Arrow Academy, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Arrow Academy.

**Independent Auditors' Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Board of Directors of
Leadership Education Foundation – Arrow Academy:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Leadership Education Foundation – Arrow Academy (Arrow Academy), which comprise the statement of financial position as of August 31, 2018 and the related statements of activities and of cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated January 22, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Arrow Academy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Arrow Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of Arrow Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Arrow Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express

such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Blazek & Vetterling

January 22, 2019

**Independent Auditors' Report on Compliance for Each
Major Program and Report on Internal Control Over
Compliance Required by the Uniform Guidance**

To the Board of Directors of
Leadership Education Foundation – Arrow Academy:

Report on Compliance for Each Major Federal Program

We have audited Leadership Education Foundation – Arrow Academy's (Arrow Academy) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Arrow Academy's major federal programs for the year ended August 31, 2018. Arrow Academy's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Arrow Academy's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U. S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Arrow Academy's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Arrow Academy's compliance.

Opinion on Each Major Federal Program

In our opinion, Arrow Academy complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2018.

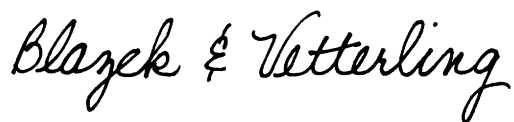

Report on Internal Control Over Compliance

Management of Arrow Academy is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Arrow Academy's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Arrow Academy's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
