

Media Release for Free and Reduced-Price Meals Community Eligibility Provision (CEP)

Arrow Academy & Child Nutrition Department announced today it will continue to operate the Community Eligibility Program (CEP) for (1) one more additional year under the National School Lunch Program and School Breakfast Program for the 2025-2026 school year. Schools qualifying to operate CEP provide (1) breakfast and (1) lunch to all children at NO CHARGE and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.
