Dear Laundry Volunteers,

Thank you to all who have laundered the altar linens. Please take a copy of the pressing/folding sheet from the linen drawer. You can also review the proper procedures with an office staff person. Some have not been folded correctly. Hope this sheet will help. Please stop by the Parish Office to pick up the soiled linens on Monday or Tuesday and return them by Thursday or Friday of the week you are scheduled. The schedule is for every other week. Please contact Jennifer in the Parish Office if you cannot make a trade with someone or cannot fulfill your time.
