Class Attendance Policy for Religious Education

Each year of formation is essential to the forming of your student in the Church and Her teachings as well as preparing them for the reception of each sacrament. For that reason, unless there are extenuating circumstances (not sports or extra-curricular activities), students will not be able to miss more than 3 Confirmation classes for the year. This requirement ensures that your children are properly formed in Church doctrine and teaching and prepared to receive the sacraments.

In our best efforts to keep our religious education students safe, we ask that you please contact Larry or Mackenzie if your child will not be attending class. You can reach them via the parish office at 605-275-6870 or email at drexel.ed@stfrancispastorate.org.

Classroom Environment and Technology

It is our desire that we help create a learning environment in which students encounter the love of Christ and His Church. We believe that part of creating this environment is through helping our students to recognize the sacredness of the space in which they learn and to free them of any outside distractions. We create this environment by collecting cell phones at the beginning of class. Students are then able to learn free of outside distractions.

I understand and acknowledge these requirements.
