Hello Business Partner:

Pittsburgh Chapter CMAA appreciates your business and understands our vendors are a key component for the successful operation of our clubs. Our chapter's annual vendor show is the best way to highlight and grow your business with the clubs in the Pittsburgh Chapter. Our annual vendor show will be at The Club at Nevillewood on Monday, October 27, 2025. Save the date, fill out and return the form to secure your spot in our fall show. The Iron Chef Club Culinary Team Competition is an exciting addition to the reception which will follow the trade show show along with a beverage trade show.

Participating vendors will have an excellent opportunity to gain exclusive access to our membership of more than 100 CMAA management professionals, along with their key staff, representing 38 clubs in the Pittsburgh Chapter CMAA. The funds generated from this event are used to support the chapter members' annual average of 17 hours of continuing education along with an additional yearly regional conference with two other CMAA chapters with more than 15 hours of education.

To encourage meaningful interactions between vendors and our members, vendors will recognize and reward our members for "meaningful interactions" making every conversation count! We encourage all vendors to participate and provide exciting table prizes to help make the event even more memorable for our members. Members use their business cards to enter drawings for door prizes provided by vendors. These coveted prizes ensure you gather contact information and not only will this leave a lasting impression on our members but opens the doors for future connections!

We look forward to seeing you at the show!
