ABOUT

Strategic Creative Director with 18+ years transforming complex MedTech & B2B device products into trusted global brands. Expert in translating clinical data into compelling, human-centric campaigns for regulated healthcare markets. Proven track record of leading multidisciplinary teams to deliver scalable systems that drive clinical adoption and engagement.

WORK HISTORY

FRACTIONAL CREATIVE DIRECTOR | Inova Studios -- 2025-Present

Regulated Industries: Serving as a strategic advisor for Healthcare & MedTech clients, translating complex clinical capabilities into clear brand narratives, B2B campaigns, and sales systems.

Consumer Growth & AI: Directing brand strategy and AI integration for mid-market consumer groups (Eyewear & Hospitality). Implementing generative AI workflows to optimize content production and reduce marketing costs.

CREATIVE DIRECTOR | Finfare -- 2024-2025

Recruited to transform an AI-driven expense platform from a utility tool into a trusted financial partner.

Team Leadership: Built and managed a hybrid creative engine (in-house & global talent), uniting design, copy, and development under a single high-performance culture.

Agile Execution: Delivered a complete corporate rebrand and website launch in 5 months—executing 50% faster than the industry standard without compromising quality.

Strategic Growth: Partnered with CMO and Product Marketing to translate complex regulated data into clear, human-centric campaigns, directly supporting B2B/B2C user adoption and stakeholder confidence.

PRINCIPAL CREATIVE DIRECTOR | Inova Studios -- 2014-2024

Operated as a strategic partner for global agencies and enterprises, leading digital transformation for high-compliance sectors (Banking, MedTech, Education, and National Defense).

Global Fintech: Directed web strategy for Mutual Bank (Chile), ensuring secure, localized user experiences for international markets.

MedTech & Healthcare: Led B2B/B2C brand campaigns for Boston Scientific, Dermtech, Invisalign, and Sonendo. Translated strict clinical information and medical regulations into compelling creative assets that drove sales and brand awareness.

Education & Growth: Directed cross-functional teams (Design & Dev) for UCI (University of California, Irvine), ensuring strict UX standards for the main digital ecosystem. Executed high-stakes capital fundraising campaigns and email strategies under rapid delivery cycles.

WORK HISTORY

SR. UI & PRODUCT DESIGNER | **Spectrum (Charter)** -- 2012-2013

Agile Product Design: Collaborated with Product Managers and Engineers to design and ship responsive interfaces for consumer apps and software in a high-velocity Agile environment.

Impact: Optimized UX/UI patterns for high-traffic digital products, directly improving user engagement and customer retention.

ART DIRECTOR | **Studio PMG** -- 2010-2011

Leadership: Led a multidisciplinary team (designers, 3D artists, writers) to execute complex B2B interactive experiences and presentations for multiple Global Pharma clients and enterprise brands.

Impact: Streamlined production workflows for interactive design solutions, directly supporting client growth in regulated sectors.

SR. PRODUCT DESIGNER | **Smith Micro Software** -- 2009-2010

Management: Managed a team of subcontractors to produce source materials, ensuring projects met strict production timelines and quality assurance goals.

Product: Designed user interfaces and marketing materials for consumer software, ensuring brand consistency across retail and digital channels.

INTERACTIVE DESIGNER | **Disney (DIG)** -- 2008-2009

Executed global web and email campaigns and publication design targeting multicultural audiences. Ensured strict brand consistency across digital and print channels for high-traffic entertainment properties.

LEAD SENIOR DESIGNER | **Herbalife International** -- 2007-2008

Global Scale: Led a design team to produce corporate identities and marketing collateral distributed across the Latin American market.

Impact: Delivered high-volume projects for sales and marketing teams, consistently meeting tight deadlines and production budget constraints.

SKILLS SUMMARY

- **MedTech Creative Strategy:** Expert in B2B/B2C campaigns, translating clinical data for medical devices, health-tech, and regulated markets.
- **Global Leadership:** Bilingual (English/Spanish) manager of onsite and remote international teams driving cross-cultural growth.
- **Technical & AI:** Proficient in UX/UI, HTML/CSS, Commercial Production (Photography/Video), and Generative AI workflows.
