

Kitchen and Bath Designer

(Job Boards)

We partner with homeowners, contractors, designers, and architects in the journey of remodeling and building, so our clients can stop feeling overwhelmed and enjoy a smooth and personalized experience guided by trusted experts delivering a captivating, functional, and livable space.

Join a winning design team! *We are looking for our next success story; do you have the right attributes, talent, and effort?*

Secure your opportunity to do more of the creative work you love, develop your craft, improve the lives of others and work in a great team culture. Our kitchens and bathrooms are thoughtfully designed, respectful of budget and we have hundreds

of styles. We believe in improving people's lives through their living environments.

Woodstock Kitchens & Baths - *We partner with homeowners, contractors, designers, and architects in the journey of remodeling and building, so our clients can stop feeling overwhelmed and enjoy a smooth and personalized experience guided by trusted experts delivering a captivating, functional, and livable space.*

We are looking for an experienced Designer to join our amazing team.

If you are able to:

- *Set the stage in the entire design process,*
- *Be a source of design inspiration and the creator of build plans,*
- *Have experience in kitchen, bathroom, and interior design with a background in CAD,*
- *And can manage well-run projects with great outcomes with client satisfaction,*

If this is you, you may have found your next career opportunity! This is a unique opportunity to be a part of a dynamic and growing team, and to contribute your skills and expertise to our clients' renovation journeys.

As an Designer at our company, you will be rewarded with:

- A competitive salary and bonus opportunities,
- Comprehensive benefits package that includes health insurance reimbursement,
- A generous PTO package ,
- And the option to work from home 10 days per year.
- We also offer a retirement plan with a 4% match on your personal contributions,
- And a family-oriented team culture where you will feel valued and supported.

This is a great opportunity to grow and advance your career in the design industry, while enjoying the benefits and support of a friendly and positive work environment where your coworkers feel like family.

We are seeking an experienced Designer who is creative, analytical, and able to design relevant spaces that meet our clients' needs and exceed their expectations. The ideal candidate will have a wealth of experience, be a team player, and be able to multitask and manage multiple projects with grace.

As an Designer, your primary responsibilities will include:

- Maintaining consistent company standards and protecting the company's reputation
- Interpreting and evaluating customer needs related to kitchen, bathroom, and interior inquiries, with exceptional relationship skills
- Developing creative, functional, and aesthetically-pleasing designs that meet our clients' budgets and design directives
- Field measuring spaces in detail to accurately translate into CAD
- Creating beautiful client presentations with appropriately sourced materials and products
- Meticulously managing expectations for clients and contractors
- Applying knowledge of construction materials and practices to best execute the plan
- Communicating with installers to establish project start dates and ensure timely execution of projects
- Placing accurate requests for made-to-order products

The best reasons to join Woodstock Kitchens & Baths:

1. You'll get to be a part of a company that acts with integrity. We are led by the golden rule and treat others the way we want to be treated.

2. You'll play a vital role in a team of effective communicators. We are exceptional communicators, carefully setting and managing expectations with our clients, contractors, and one another.

3. You'll have the opportunity to be part of a team of relationship builders. Building trust and relationships, and delivering exceptional service is where we shine!
