

*St. Clare's Home*

RESTORING HOPE • SAVING LIVES

**PINK&BLUE GALA • January 30, 2027**

*Dear Family and Friends,*

St. Clare's Home provides maternity shelter for expectant mothers who choose life and need a safe, secure place to stay. We welcome women and children with compassion and provide a comfortable, caring environment.

Because affordable housing remains a challenge for many families, the need for our services has grown. Today, St. Clare's Home has maternity locations in Greenville and Charleston. Over the past six years, our Greenville home has supported more than 80 mothers and 30 children and helped welcome over 40 babies. Both locations offer comprehensive pre- and post-natal care, along with essential life-skills training. Our classes cover childbirth, parenting, nutrition, budgeting, and financial planning—equipping residents with the tools they need to pursue their education, career goals, and long-term stability through mentorship and guidance.

At St. Clare's, we meet the physical, emotional, educational, and spiritual needs of our mothers—helping them feel confident caring for their children, managing a household, and working toward financial independence. While crisis pregnancy centers do incredible work, many pregnant women still need the supportive, stable environment that St. Clare's Home provides. Our homes include individual bedrooms, a full kitchen, a family room, a chapel, and a spacious yard and garden, with 24-hour care and supervision.

Through the generosity of donors, we've also been able to support families through our outreach centers with clothing, diapers, baby items, and furniture. Although we feel sad when our mothers leave, we are filled with pride and joy as they begin new chapters. Some reunite with family and their children's fathers, while others choose independent living. We value the ongoing relationships we maintain and look forward to welcoming them back at events hosted in our home.

We cannot continue this vital mission without support from businesses, corporations, and individuals—gracious donors who share our passion for helping families thrive. Our annual Pink & Blue Gala on January 30, 2027, will be a lively celebration featuring a Pink & Blue theme, along with live and silent auctions. Guests will also be able to bid online through our event software. Your support creates a meaningful impact in our community and is essential to the future of St. Clare's Home and the families we serve. Thank you for your thoughtful consideration and support.

Sincerely,

*Valerie Baronkin*

Executive Director
