Money Going Out the Doors

A while back it was dreadfully hot and humid outside. It was one of those days where you felt soaked with sweat just walking across the parking lot. Unless you were swimming, it was a day to stay indoors with the air conditioner on. On this particular day (which was a Sunday), I went into church for Mass and found that one of the inside doors was propped open as well as the outside door. Someone from the previous Mass had left church and did not make sure the door closed behind him or her. The door was most likely left open for a half an hour. That is a lot of money going out the door!

The bills for St. Eugene Parish are large. On average, we pay seven thousand dollars a month just for the electric bill for our parish! And that is just one bill! With our high bills, it makes me upset to see doors open in church when the air conditioner unit is running. A simple thing like closing the door when you leave church, could save us hundreds of dollars.

We are very fortunate to have a beautiful and comfortable place to worship. However, it is not cheap to maintain our buildings and grounds. Air conditioning an entire church is very costly. As you enter or leave church, please make sure the door closes behind you. If you happen to see a door propped open, please help keep our costs down by closing the door. If we are all attentive, we will save the parish money and keep the church air conditioning unit from unnecessary wear and tear.

Yours in Christ,

Fr. George

THIS WEEKEND

NO ACTIVITIES

GOD'S WORK

We are so busy! Most of us have more than one job to do, and we never seem to have enough time. We are workers, volunteers, parents, friends, and most of us are more than one thing at a time. But which of these is the work of God?

We seldom view our ordinary work as being the work of God. We may think that we have to be ministers or priests, missionaries or charity workers, engaged full-time in works formally identified as being "God's work." But everything we do with a faithful heart and with love for others is God's work. We each have our own role to fill in the world, and many gifts are necessary. We cannot always see the direct connection of our daily work to the plan of God. But we trust and we believe that God leads us to do what is needed, where it is needed. What is "God's work?" "This is the work of God, that you believe in the one he sent" (John 6:29).

Prayer with Scripture

We invite you to an encounter of prayer where you can stop from the hurry of the moment and listen to God through God's Word, in silence, meditation, adoration and contemplation. In this short but intense time, we listen to a talk that introduces us into the understanding of the Word of God, which later, we reflect on and meditate in an attitude of faith, discovering what God is trying to reveal to us. The prayer is accompanied by the exposition of the Blessed Sacrament with songs to help the faithful enter more into prayer.

As the deer longs for streams of water,
so my soul longs for you, O God. Psalm 42,2

Shaunessy Center at
St. Eugene Parish
5220 N. Canfield Ave.
Chicago, IL 60656

The Shroud of Turin has long been venerated by the faithful, and is believed by many to be the burial cloth of Jesus of Nazareth. It is one of the most scientifically studied religious icons in history. As science has advanced over the last few decades, so has the speculation on how the image of the Man of the Shroud was made. This traveling exhibit details the history and various aspects of the shroud, and includes as its centerpiece, a full-length photographic image of the shroud itself.

DRESS APPROPRIATELY FOR MASS

As warm weather is here, we would like to remind everyone that Sunday Mass is the most important and solemn event of the week. It is not an "informal occasion." As a consequence, the appropriate attire for Mass should be characterized by **modesty, dignity, and elegance.** Clothing suitable for a picnic, or for the beach, can indicate a lack of respect for the Eucharistic Sacrifice.

TREASURES FROM OUR TRADITION

Customs surrounding wedding rites are often in tension with our liturgical tradition. Sometimes practices are almost forced on engaged couples. Anyone who has ever planned a wedding knows how quickly the invoices expand. A hundred dollars here, a hundred there, often for non-essentials, when more deeply traditional practices, like an expression of charity for the poor, fall by the wayside. One such practice often labeled as "deeply traditional" is the aisle runner for the bride. Actually, the American tradition is to clean our church buildings, in contrast to European village churches, which often had dirt or cobblestone floors. There, a band of linen (rented) or a carpet of flowers might be set in place for a bridal party. Here, plastic roll-ups are procured and positioned by the ushers for the bride's entrance. The problems are many, not the least of which is that there is no "bride's entrance" in our official liturgy. Another is that in a wedding Mass, the communicants have to navigate the treacherous aisle with the sometimes-slippery runner. The aisle runner is neither a treasure nor a tradition, and by omitting it, the couple who asks for canned goods for the poor to be brought to church at their wedding Mass will find an extra hundred dollars or so for the cause!

Prayer for travelers

Heavenly Father,

Be with all those who travel during these days of summer. Let them be conscious of safety as they travel, and bring them safely to their destination. During days of vacation, grant refreshment of spirit crowned with the joy of renewed fellowship with distant family and friends. Remind all who travel that their small journey is but a faint echo of the true journey of life, a journey back to you.

GOVERNING OUR PASSIONS

Whoever governs their passions
is master of the world.
We must either command them,
or be commanded by them.
It is better to be the hammer than the anvil.

TRANSFIGURATION OF THE LORD

On August 6 we celebrate the feast of the **Transfiguration of the Lord**. *To transfigure* means "to change in appearance." You can read this story in three of the Gospels: Matthew 17:1-9, Mark 9:2-10, and Luke 9:28-36.

The feast of the Transfiguration takes place at the time of year when harvests are abundant. The seeds that were planted in the spring have been transformed into luscious fruits and vegetables. They, too, are signs of God's great glory and love for us. Think of God's gifts of rich food that you have enjoyed this summer and list them here. See if you can use all the letters in the word **TRANSFIGURATION** somewhere in the names of the foods. After you complete your list, circle the ones you would most like to eat for dinner this week. Before you share the meal, remember to give thanks for having so much good food to eat.

OUR MISSION STATEMENT

Our mission as Catholics united in faith at St. Eugene Parish is to help bring God to people and people to God. Through evangelization, education and being of service to each other, we strive to make our parish community a holistic community in body, mind and spirit. It is our goal to develop, support, encourage and empower one another in our parish ministries, so that each person can reach their human and Christian potential. We are enthused about the future of St. Eugene and the whole Catholic Church and we pledge our participation in that future. We seek dialogue and open communication with all parishioners in fulfilling the needs of our parish. While recognizing the cultural diversities in our community, we will strive to bring all people together in Christ under a common bond of faith, hope and love.
