ARCHDIOCESE OF CHICAGO

October 23
Jubilee of Mercy

Dear Sisters and Brothers in Christ,

For 90 years the Church has celebrated World Mission Sunday as a way of highlighting the merciful mission of Christ that brings hope to the world. In this Jubilee of Mercy we in the Archdiocese of Chicago place Christ at the center of our communities and dream together about the renewal of our Church. We believe that as Christ sends us forward to be his missionary disciples, He will also give us what we need to renew His Church and transform the world.

This 90th celebration of World Mission will take place on October 23, which we will mark in solidarity with the countless missionaries who bring the Gospel to some of the most remote places and cultures. They need our support through prayer and our financial gifts. Your generosity enables local priests, religious, and catechists to travel to remote areas for the work of evangelization and to build churches, educate children and adults, prepare young men for the priesthood, and provide medical care through Catholic hospitals and clinics.

As we begin the Renew My Church effort in the Archdiocese of Chicago, World Mission Sunday prompts us to reflect on our priorities to be vital and mission-driven parishes. The Church's world mission is fundamentally about bringing people to Christ whether that is in our own neighborhoods or across the continents. We are all invited to participate in this effort. I pray that every parish will respond to this year's World Mission Sunday by actively offering its generous stewardship and fervent prayer for missionaries and people of faith throughout the world.

Sincerely yours in Christ,

+ Blase J. Cupich

DEPENDING ON GOD

"Getting by with a little help from our friends" is not an idea that began with the Beatles. Certainly the idea of "getting by with a little help from God" goes back at least to the first reading today from Exodus. How we get that help, however, is the key to this weekend's scriptures.

No matter how inadequate Moses felt to the task God had given him, he persevered—even though he needed help from the people around him. The Israelites especially depended on God for freedom. The woman in the Gospel, desperate and destitute, had no one to depend on, but still she would not give up. She could not afford to bribe the unscrupulous judge, but she pestered him into weariness until finally he met her demands.

We sometimes need to turn to others to help us through difficult times; but if we always turn to God, we won't be disappointed, for our help, the psalm assures us, is from the Lord.

PEOPLE OF THE CROSS UNITED

A Vatican report confirms that violence against children has increased in conflict areas. The Holy See is urging all governments to "protect the innocent youth who are caught in the crossfire of violence around the world." Children are subjected to savage brutality: children used as soldiers, sex slaves, suicide bombers and disposable intelligence gatherers in the most dangerous military operations. The Holy See hopes that the plight of children caught in armed conflict will awaken consciences, lead to a change of heart, and inspire all parties to stop fighting. Archbishop Bernardito Auzar

Prayer with Scripture

We invite you to an encounter of prayer where you can stop from the hurry of the moment and listen to God through God's Word, in silence, meditation, adoration and contemplation. In this short but intense time, we listen to a talk that introduces us into the understanding of the Word of God, which later, we reflect on and meditate in an attitude of faith, discovering what God is trying to reveal to us. The prayer is accompanied by the exposition of the Blessed Sacrament with songs to help the faithful enter more into prayer.

THE SHRINES OF NORTHERN FRANCE
WITH FATHER JIM O'BRIEN
May 16 - 27, 2017

Yes, it is the Shrines of Northern France we are going to be visiting next year, 2017. We will be leaving Chicago on the 16th of May and returning on the 27th. On the 17th we will arrive in Paris and it will all begin. Our tour guide, Sue Jackson, has been with us on the last two tours. We will be stopping in Paris, Chartres, Lisieux, St. Malo, St. Theresa, the Chateaux of the Lorire Valley and Mt. St. Michel.

I would like you to join me on this journey to explore the splendors of France. Our pilgrimage will take us off the beaten path and along the byways where we will see the "heart" of Catholic France. The passing centuries have left a stirring Catholic legacy throughout France, with cathedrals and shrines everywhere.

As our pilgrimage comes to a close in Paris, I am requesting to celebrate Mass at the Shrine of the Miraculous Medal on the Rue de Bac, and then visit Notre Dame Cathedral before returning to Chicago. Our tradition has been to celebrate Mass daily.

Interested? Curious? An information meeting has been scheduled for **Monday evening, October 17, 7 pm,** in St. Eugene School, Room 110, which is just behind the Rectory (7958 W. Foster) and immediately adjacent to the Church parking lot, with just a few steps. If interested or curious, do plan on coming to the meeting; please call the St. Eugene Parish Office and let us know that you plan to be with us for the evening (773/775-6659). The tour costs a few dollars but the meeting is free. Printed brochures will be available for the entire itinerary. Looking forward to seeing you. Father Jim O'Brien

"The Contemporary Scourge of Violence and the Creative Challenge of Nonviolence"

What I intend to share with you is the inviting possibility of a conversation between religion and science (natural and social) regarding the prevalence of violence in our society, on the one hand, and, on the other, a sense of the growing power of nonviolence. My hope is that, for example, there might be a moment in the reform of our criminal justice system when there is a correlation with the long standing approach of religion, particularly the life and teachings of the nonviolent Jesus and Martin Luther King for us Christians—and Mahatma Gandhi from another religious perspective. In short, what we need to see is that nonviolence is in fact the absence of violence…The Question: HOW DO WE GET THERE.

BRIEF BIO: Hugh McElwain is currently Professor Emeritus at Dominican University (River Forest), where he has served as both professor of theology and academic dean of the Rosary College of Arts and Science at Dominican. He obtained his Doctorate in Theology from the Pontifical University, "Marianum", in Rome, Italy, and pursued post-doctoral studies in World Religions at the University of Chicago. Over the years he has taught courses in Catholic theology and ethics, World Religions, Religion and Science, and given workshops in Nonviolent Conflict Resolution.

Besides three books: *St. Augustine's Doctrine on the Just War; Introduction to Teilhard de Chardin* and *The Theology of Limits and the Limits of Theology,* he has published book chapters and a number of scholarly articles.

BLESSING OF THE ANIMALS - OCTOBER 4, 2016

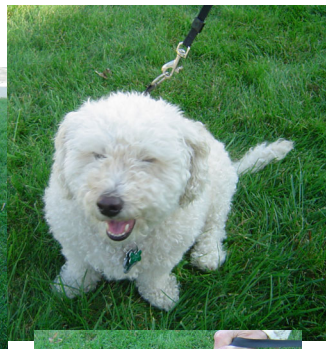

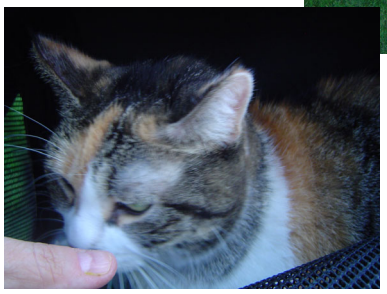

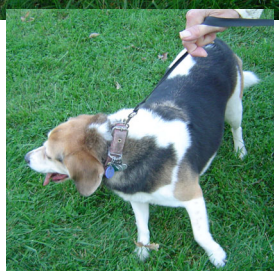

TREASURES FROM OUR TRADITION

From the early medieval period, it was expected that the many bishops of Italy travel to Rome at least once every three years to give a report of their ministry, with a footnote granting the bishops of Sicily a visit every five years. By the eleventh century, the idea of bishops visiting the tombs of the apostles was a very strict requirement for all within reasonable reach of Rome. The age of discovery and the expansion of the Church into remote corners of the earth made this an unreasonable burden in many cases, yet every bishop was required at least to send a representative to Rome every five years.

In 1911, Pope St. Pius X established the rule for a “quinquennial” (meaning “once in five years”) report, called an *ad limina*. This literally means “to the threshhold,” and refers to the expectation that the visiting bishop will go to the thresholds of the tombs of the apostles Peter and Paul and to a personal audience with the Holy Father. An exemption was given to so-called “mission territories,” which in 1911 included the United States. The reports were still required, but could be filed by letter with an office of the missions called “Propagation of the Faith.” This status was changed in 1917 and since that time all American bishops have been subject to the *ad limina*. These reports, carefully kept in the Vatican archives, are a treasure trove for historians, providing snapshots of culture and faith and a record of the Church’s resilience even in times of persecution and change.

OUR MISSION STATEMENT

Our mission as Catholics united in faith at St. Eugene Parish is to help bring God to people and people to God. Through evangelization, education and being of service to each other, we strive to make our parish community a holistic community in body, mind and spirit. It is our goal to develop, support, encourage and empower one another in our parish ministries, so that each person can reach their human and Christian potential. We are enthused about the future of St. Eugene and the whole Catholic Church and we pledge our participation in that future. We seek dialogue and open communication with all parishioners in fulfilling the needs of our parish. While recognizing the cultural diversities in our community, we will strive to bring all people together in Christ under a common bond of faith, hope and love.
