St. Eugene Church Financial Report
July 1, 2020-June 30, 2021

We finished the 2020-2021 fiscal year on June 30, 2021, and have submitted our annual report to the Archdiocese. On the following page, you will find a breakdown that shows the ordinary and other income and expenses for the Church. This was a standard year for our church, despite the COVID-19 reality.

In Church Income, our Sunday and Holy Day collections dropped by 8% to $572,286 from $620,415. Our Christmas collection fared slightly better than last years' collection; however Easter was significantly better, a 46% increase from the previous year. This can be attributed to the COVID-19 pandemic starting in March of 2020 as well as the generosity of parishioners in ensuring the financial well-being of their parish. Due to an inability of having second collections for most of the year, our other collections did drop by 28%.

In other Church income, the most standout piece is the extraordinary income of $352,494. This was the amount St. Eugene received from the Paycheck Protection Program (PPP) in May 2020. Our loan was forgiven in January 2021, so even though the funds were used in FY 20, the loan was forgiven in FY 21 so was recorded as income in that year. These funds were only used on payroll to retain employees in the Church and the School while we were shut down by the pandemic. Furthermore, the entire amount is listed on the Church side because when the funds were received, the school was still run by the parish, not an Archdiocesan school. Overall, the Church saw an income increase of 30% with the PPP loan; however, a more realistic figure excluding the PPP loan would result in an overall decrease of 4% in income compared to the previous year.

In terms of expenses there was an increase in transportation costs because in February 2021 the Parish purchased a new pickup truck to take care of the snowplowing of our large parking lots. Taking care of this "in-house" saves the parish a considerable amount of money annually. Furthermore, under capital improvements, the Church purchased new boilers for the rectory. Overall, the Church reduced its expenses 6% from the previous year. Income-expenses yield a Church surplus of $191,302 excluding the PPP proceeds from this calculation. This surplus was used to help subsidize the school, through the Church's annual commitment of around $100,000.

If you have any questions or comments about this report, please do not hesitate to contact me at the rectory, one of our finance council members, or Fr. Rich. We sincerely thank you for your continued support and generosity, especially during these trying times. Without you, we would not be here.

St. Eugene School Financial Report
July 1, 2020-June 30, 2021

We finished the 2020-2021 fiscal year on June 30, 2021, and have submitted our annual report to the Archdiocese. On the following page, you will find a breakdown that shows the ordinary and other income and expenses for the School.

St. Eugene School had a remarkable 2020-2021 school year, providing in-person learning to all students throughout the COVID-19 pandemic even when the public schools were only providing e-learning. Our enrollment in the school increased by almost 30 students compared with the 2019-2020 school year, which explains the 22% increase received for tuition and fees compared with the previous year. The fundraising amount appears much higher than in previous years due to the strong community support the school received during the 2019-2020 school year when the school was tasked to raise $250,000 to keep the doors of the school open for future generations. Included in the fundraising line is the $200,000 the school raised for use in the 2020-2021 school year. The school community started new creative fundraisers to raise funds during the pandemic, including the Viking's Victory Races. Thank you to all of our parents and volunteers who make St. Eugene a special place to be. The Miscellaneous line was 390% higher because this total includes the $50,000 grant received from the Archdiocese to match funds received as part of the $250,000 goal. Overall, school income was 37% higher than the previous school year.

The school reduced overall expenses by 1% compared to the previous school year. The new truck that was purchased was split 50/50 between the church and the school. Additionally, new curriculum resources were purchased like textbooks, workbooks, and other instructional materials. Finally, some capital improvements were made in the school's HVAC system including replacing logic control boards to communicate with the main unit and set room temperatures. Overall, the school finished the year with a surplus of $65,322. If we remove the $200,000 raised as well as the $50,000 grant because these are not typical expected funds, the school would have had a deficit of $184,678, which is less than half of the historical average of around $400,000. This year things are looking up, there are 239 students enrolled, and the projected deficit is only about $30,000 at the time of this writing.

If you have any questions or comments about this report, please do not hesitate to contact me at the rectory, one of our finance school board members, our principal Margaret Kinel, or our Archdiocesan liaison Lorelei Bobroff.

THE POOR

As Christians, we hear a lot about the witness and service that we are called to render to the poor among us. However, the poor also have a witness and a service to render to us. Like the actions of the widow in today's Gospel, the openness and generosity of many of those who are poor, even in the midst of their own poverty, bear witness to the fact that, ultimately, we can depend only on God. Giving one's all witnesses that God will give all to anyone who trusts in divine goodness.

The poor or disadvantaged also serve. They serve judgment on our individual and corporate ways of acting. If people are sleeping in our streets, that is a judgment on our priorities regarding others. At the same time, the poor can act as mediators of salvation. When they care for others they can redeem our indifference and insensibility, lead us to care as well, and save us from ourselves.

Retirement Plan Gifts for Our Parish

A tax-wise way you can make a gift from your retirement funds is to name St. Eugene Parish as a beneficiary of your retirement account.

By naming St. Eugene as a beneficiary, you'll provide crucial financial support to our parish and the entire value of your gift will be transferred to us free from federal estate and income tax. It costs nothing to change the beneficiary on your retirement plan and will mean everything to our future parish community.

It is very simple to name your parish as a beneficiary. Start by requesting a change-of-beneficiary form from your account administrator or download the form from your provider's website. Make your desired changes and return the form to your account administrator to establish your gift.

Please consult with your account administrator for more information or contact us here at St. Eugene by calling 773-775-6659. You can ask to speak with our parish Business Manager, Anthony Woldeit or you can email him at awoldeit@st-eugene.org.

THIRTY-SECOND SUNDAY IN ORDINARY TIME
TREASURES FROM OUR TRADITION

Veterans Day began with the signing of a symbolic treaty between the Allies and Germany ending World War I (then called the "Great War") on the eleventh hour of the eleventh day of the eleventh month. The auspicious date was actually a well-established religious holiday, the feast of Saint Martin of Tours, a beloved soldier saint of the army of Rome. After World War II, Armistice Day was changed to Veterans Day in the United States and Remembrance Day in Britain, but of course the feast of Saint Martin endures. Martin was named after Mars, the god of war, and against the advice of his parents he went on his own to church. He became a catechumen at the age of ten. By fifteen he was enlisted in the cavalry in France. Coming across a poor man, Martin had an impulse to divide his bright red soldier's cape and clothe him. He later had the insight that he had served Christ, and the other half of his cape became a lifelong sign to him of his duty to serve the poor. Housed in a tiny church capella or "chapel," the cape became a great object of pilgrimage on the way to Compostela, and a favored place for the prayers of soldiers. Martin was not so eager to serve as bishop as he had been as a soldier, and legend says that he hid in a barn filled with geese to avoid episcopal election. To this day, the customary meal for November 11 is goose! Traditionally, this is the last feast day before winter closes in, and begins a period of fasting once known as "Saint Martin's Lent" or "Martinmas," that later developed into the season of Advent. Rev. James Field, Copyright © J. S. Paluch Co.

Catholicism is an entire way of life. But today it's not known.

We might be familiar with different aspects of the Catholic faith. But how does it all fit together? And what difference does it make for our lives? Symbolon: The Catholic Faith Explained opens up the "big picture" of the Catholic faith in a way that helps us know it, live it and articulate it to others. Through beautifully crafted teaching and state-of-the-art video, author, speaker and theologian Dr. Edward Sri leads a team of dynamic teachers who provide a clear and comprehensive explanation of the Catholic faith.

Filmed on location in Rome, the Holy Land, Calcutta and in the Augustine Institute studios in Denver, Symbolon— Part I: Knowing the Faith journeys through the core teachings of the Catholic Church and Symbolon— Part II: Living the Faith focuses on our encounter with God in the sacraments and moral life.

Symbolon features dozens of nationally-known teachers such as Johnnette Benkovic, Patrick Coffin, Jason and Crystalina Evert, Tim Gray, Curtis Martin, Edward Sri, Chris Stefanick, Teresa Tomeo and many others who unpack the Catholic faith and call people to live it more deeply.

Classes began on Thursday, October 28, 2021 in Room 110 of the school annex from 6:30-8:00 PM. The cost will be around $30 for materials for 22 classes. Please call Fr. Jack Dada at the rectory to register (773-775-6659).

DONATE

You are cordially invited to join the Ministry of Prayer.

What is the Ministry of Prayer?

Volunteers in this ministry pray daily for the needs of the church, community, and world. The goal of this ministry is to provide us with the opportunity to pray "together while apart." Although this ministry was originally directed to those who are homebound, it has expanded to include any of us who would like to pray as a group, even though we never formally get together, using the prayer intentions provided for us, while in our favorite place to pray. The prayers can be as simple as an Our Father, Hail Mary, and Glory Be, a decade of the rosary, it can be a simple conversation with Our Lord, or it could be taking a few minutes to meditate on the prayer intention. Whatever prayer method is used is the best prayer.

If you would like to join the Ministry of Prayer, simply fill out the form below and you will receive the prayer intentions for the month of November. There is no fee; there are no meetings to attend. Every three months, you will receive the prayer intentions for the next 3 months. All you are asked to do is to pray for the intention of that day — that's it! There is power in prayer, especially when we pray together — even if we are all in our own homes! Won't you join us?

Please fill in the form below; drop it off at the rectory office; drop it in the collection basket; mail it in; or email the information to us.

FEAST OF FAITH

Concluding Rites

The Prayer after Communion gives us a glimpse of the heavenly banquet, of which we have had a foretaste in the Eucharist. The concluding rites speak of what we are to do with this great gift of God. That includes the parish announcements, which are usually given following the Prayer after Communion. Believe it or not, the announcements, which are not an "official" part of the Mass, have been included in the Mass from as early as the fifth century! The deacon or the homilist—even the bishop—would announce coming liturgical celebrations and encourage the people to participate. Today's parish announcements include opportunities for prayer, service, learning, and community building. They should be succinct and should include only significant events and activities in the life of the parish. But even when they are long and tedious, the announcements (and the parish bulletin) flow out of the concluding rites of the Mass. They offer us ways to live the Eucharist, to become what we have received—the Body of Christ, living and active in our local community.
