From the Pastor's Desk...

Today we celebrate the Fifth Sunday of Lent. As we find ourselves much closer to Holy Week and Easter, I'd like to remind all in our community that our Parish Communal Lenten Reconciliation Service with individual confessions (English & Polish) will take place here at St. Eugene on Tuesday, April 12th, at 7:00 p.m. I invite you to join us in receiving the healing power of Jesus and the gift of God's grace in the Sacrament of Reconciliation. Please plan on joining your parish community on Tuesday, April 12th as you make your personal preparations for Holy Week and Easter. No confessions will be heard on Holy Saturday, April 16th.

Every once in a while, friends or parishioners send me interesting pieces of information or articles that I think are worthy of sharing. Recently a parishioner sent me a Dear Abby column (remember Abigail Van Buren?) that was printed on Sunday, June 26, 1994. It was titled **"A quality church is worth your donations".** It went like this:

Dear Abby: In a recent column, a reader complained about the amount of money he was expected to give to the church. Perhaps this piece will provide an answer to that question. I regret I don't know who the author is, but I hope you feel that it is worth sharing.

Bob Whitmore, Eugene, Oregon

Dear Bob Whitmore: I do. And many thanks for sending it.

<u>IS THE CHURCH COSTING TOO MUCH?</u>

Last Sunday, another golfer sank the last putt on the 18th green and received a check for $50,000 for four rounds of golf, plus an automobile for himself and one for his wife. This week, the papers reported that a certain popular singer will receive $100,000 per week for her current singing engagement. Americans spend annually more on dog food than on church contributions. It is not unusual for an individual to pay more for his country club membership than he gives to the church. Is the church costing too much?

Let me share an experience with you. On June 2, 1940, a little girl was born to us. She cost us money from the moment she was born. As she grew from babyhood to girlhood, she cost even more—her dresses and shoes were more expensive, and we had to have the services of a doctor through all those childhood diseases.

She was even more expensive during her high school and teen years. She needed long dresses to go to parties. When she went to college we discovered, along with other parents, that all college expenses are not listed in the catalog. Then after graduation, she fell in love and married. She was married in a church wedding and the reception, too, cost a lot of money.

Then, five months after her marriage, she was suddenly sickened and within a week she was dead. She hasn't cost us a penny since the day we walked away from her grave.

As long as the church is alive, she will cost money. And the more alive a church is, the more money she will cost. Only a dead church, like a dead child, is no longer expensive.

Think it over. Is the church costing too much?

What a great article. Could there be anything truer than that? Thanks to the parishioner who sent it to me. Perhaps it will help us all to reconsider whether or not the $1, $2, $5 or $0 that many have been putting into the collection basket for the past twenty or more years is truly sufficient or representative of how God has truly blessed us.

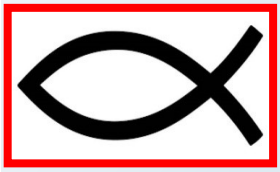

Most people never consider what it takes to operate their parish especially one as massive as our campus. As you have experienced your own electric and gas and utility bills jump through the roof, so, too, has our church's and school's. To give you a real example, from July 1, 2020 - February 28, 2021, our school and parish's electric and gas bills were $56,073.00. This past year from July 1, 2021 – February 28, 2022, they were $94,332.00. There was a 106% increase in our heating bills and a 49% increase in our electric bills just this current year. This is just a small example of the significant rise in costs we are experiencing and the reality we are all facing; however, our contributions have not kept pace with this rate of increase because, sadly, most people don't think of increasing their church support to keep up with the rising costs of inflation, yet we all need to do this on a regular basis. Please pray about whether your support of our church is truly all that you can offer. Some may feel what I am sharing with you now is inappropriate, however, it is a reality we are currently facing. As the caretaker of our community of faith, if the pastor does not address this reality of maintaining our beloved church and school facilities, who will? Our community of St. Eugene has always risen to the occasion when the need was there. I trust you will now as well. Thanks for your understanding.

****

I do want to thank and acknowledge all in our parish community for your extremely generous support for the people of Ukraine during this very challenging and difficult time. Our most recent collection for this relief effort raised $8,392.00! Contributions are still coming in and will continue to be accepted for this most urgent need of the Ukrainian people. God bless you for your generosity at this time.

You don't want to miss our Last Knight of Columbus Fish-Fry coming up on Friday, April 8th starting at 4:30 pm in the Shaunessy Center. If you've never been to one of our fish-fries, I really encourage you to check it out. Not only is there a large variety of menu items and sides to choose from but it's also a great place to meet and socialize with fellow and neighboring parishioners while enjoying a delicious meal. Hope to see you there this Friday night.

Have a great week everyone! Hopefully, warmer weather is on the way.

SOMETHING NEW IN CHRIST

Jesus knew that the scribes and Pharisees were trying to trap him. They put him in what seemed to be a no-win situation. Let the woman who was caught in adultery go, and he would have been accused of ignoring the law. Let her be stoned, and he would fail to show mercy toward her, contradicting his life's message. Jesus' response teaches three crucial lessons: none of us is free of sin; we are not the ultimate judges of others; Jesus is the mercy of God, in whom we can always trust. In Christ, God does something new. When we give our hearts to Christ, we have the hope of new life, a life in which mercy reigns. Copyright © J. S. Paluch Co.

ST. JOSEPH'S TABLE - SATURDAY, MARCH 19, 2022

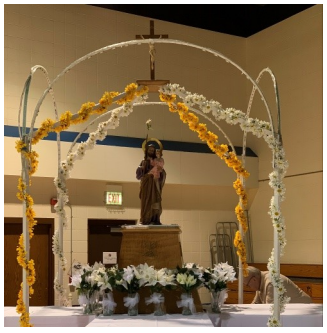

ST. JOSEPH'S TABLE - SATURDAY, MARCH 19, 2022

You are cordially invited to join the Ministry of Prayer.

What is the Ministry of Prayer?

Volunteers in this ministry pray daily for the needs of the church, community, and world. The goal of this ministry is to provide us with the opportunity to pray "together while apart." Although this ministry was originally directed to those who are homebound, it has expanded to include any of us who would like to pray as a group, even though we never formally get together, using the prayer intentions provided for us, while in our favorite place to pray. The prayers can be as simple as an Our Father, Hail Mary, and Glory Be, a decade of the rosary, it can be a simple conversation with Our Lord, or it could be taking a few minutes to meditate on the prayer intention. Whatever prayer method is used is the best prayer.

If you would like to join the Ministry of Prayer, simply fill out the form below and you will receive the prayer intentions for the months of April and May. There is no fee; there are no meetings to attend. Every three months, you will receive the prayer intentions for the next 3 months. All you are asked to do is to pray for the intention of that day — that's it! There is power in prayer, especially when we pray together — even if we are all in our own homes! Won't you join us?

Please fill in the form below; drop it off at the rectory office; drop it in the collection basket; mail it in; or email the information to us.

Fifth Sunday of Lent

TREASURES FROM OUR TRADITION

Next weekend, many churches provide palms to be carried in the opening moments of the liturgy, as we gratefully recall Jesus' entry into the holy city of Jerusalem. The children who greeted him on that day used what was both handy and traditional, since palms were carried to inaugurate the joyful harvest feast of Succoth. To this day, faithful Jews are directed to take a beautiful palm branch, green and straight as possible, called a *lulav*, and bind it with three myrtle branches fifteen inches long, and two longer willow branches. At the end of the temple service, everyone carries the *lulav,* circling the sanctuary in a dance called the *Hoshanot,* singing hymns of joy.

In other climates, Jews and Christians alike have had to make accommodations over the years. In Italy, everyone carries olive branches today, often brought from their own garden. In England, forsythia branches are preferred, a relative of the olive, sign of peace. Germans prefer pussy willows, and others look for flowering spring branches. In our part of the world, what do you think would be the best choice to express joy and welcome, and to remind us of the joy of Christ's victory even as we prepare to commemorate his passion?
