# Father Rich Yanos

As was promised I wanted to let everyone in our parishes know of the decisions regarding the new weekend and daily Mass times beginning the weekend of November 26/27 which is the First Sunday of Advent. Two weeks ago I met with our Unification Committee which is made up of representatives from all three of our parishes to discuss the results of the surveys many of our parishioners filled out regarding their choices for future Mass times. I also waited to get the results of the October Mass attendance counts from each of our churches so these numbers could also be factored into these decisions. And, as a matter of fact, these numbers are what played an important part in the ultimate decisions that were made.

**So, beginning Saturday, November 26th,**

**Weekend Masses** will be as follows:

**Saturday**

5:00 p.m. at St. Eugene Church

**Sunday**

8:30 a.m. at St. Eugene Church

10:00 a.m. at Our Lady Mother of the Church

11:30 a.m. at St. Eugene Church

**Weekday Masses** will be as follows:

**Monday, Wednesday & Friday** at 9:00 a.m. at St. Eugene Church

**Tuesday & Thursday** at 7:00 a.m. at Our Lady Mother of the Church

**Every Saturday** at 8:30 a.m. at St. Eugene Church

These decisions were based on the sizes of our churches, the number of parishioners currently attending Mass and where the majority of our parishioners are currently going to church. St Eugene Church seats a little over 1,000 people. Our Lady Mother of the Church seats a little over 400 people. Last month's October count revealed that on average 119 of Our Lady Mother of the Church parishioners attend their 9:00 Mass and 129 their 11:00 Mass. St. Eugene parishioners average 297 attending their 5:00 p.m. Mass, 339 attending their 9:00 Mass, and 327 attending their 11:30 Mass. From the May 2022 counts (just five months ago), St Eugene saw an increase of 315 worshippers. During the same period Our Lady Mother of the Church saw a decrease of 80 parishioners and this total was based on their three previous weekend Masses as opposed to the current two.

Another factor that was looked at was that if we combined our current two 9:00 a.m. Masses there would be a total of 422 attendees which would make for a very tight squeeze at OLMC and make it a little uncomfortable for those who are still COVID conscious. If we combined the current 11:00 and 11:30 Masses, there would be almost 500 attendees which would make attendance at OLMC impossible. So, you see, in order to provide a variety of

Mass times we need to utilize the churches that can accommodate these numbers of people while at the same time recognizing that we don't have manpower/priest power we once had in the not-so-distant past.

The bottom line is that we do not really need five Masses on the weekend given the current number of Mass attendees which averages 241 per Mass per our current five Masses. Another factor here is that we presently have only two full-time priests currently serving our three communities of faith, myself, and Fr. Jacek. Granted, we have two other priests, Fr. Greg and Fr. Ed offering their much-needed assistance, but they are both retired and should be enjoying their hard earned and much deserved retirement. Without them we would be in a much different situation.

Just four years ago there were 10 priests serving and/or living in our three rectories. Today there are only 4. We are currently on track for and are anticipating almost 200 funerals annually between our three parishes. This is an enormous number of funerals in addition to all the daily and weekend Masses for only 3 priests currently celebrating the majority of them.

You should note, however, that we have added a Saturday morning Mass every week beginning, December 3rd, in addition to what has been just the 1st Saturday of the month since COVID hit us.

What we all must sadly and realistically accept is that things are not and cannot be what they once were. I ask for your understanding regarding these realities and that we all do our best to adjust to our new schedules to make this new schedule work for us all. This is not easy for any of us, (including us priests), but we are still blessed to have the Holy Sacrifice of the Mass offered and available to us seven days a week and in churches that are no more than a five minutes' drive away for most of us. I pray for your acceptance and understanding during these challenging and changing times.

The 2022 Catholic Campaign for Human Development collection will take place next weekend, November 19 – 20, 2019. The CCHD is the anti-poverty, social justice program of the US Catholic Church. Since the release of '***Laudato Si'*** in 2015, CCHD has invested more than 4.3 million in organizations that work to protect the environment and combat pollution. The CCHD supports organizations throughout Cook and Lake County that are committed to robust community and economic development for those living on the margins.

Please consider donating this year to support these programs that help people help themselves. For more information, please visit *www.usccb.org/cchd/collection*.

Next week our country will be celebrating the Thanksgiving holiday. Without a doubt, there is so much for all of us to be grateful for. As a way of providing an opportunity for us to offer our thanks to God for the gifts he has bestowed upon us **we will be having a special Mass on Thanksgiving Day, November 24th, at 9:00 a.m.** This will be the only Mass of the day. There will not be the usual 6:30 a.m. Mass on this day. I encourage everyone in our parish to make a sincere effort to join us for this parish Mass. What better way to start the day? So, pop the turkey in the oven and join us around the Lord's Table here at St. Eugene Church on Thursday, November 28th. If you've never come to Mass on Thanksgiving let this be the start of a new tradition for you. I look forward to celebrating in this festive liturgy with you all.

**********

Finally, I just wanted to let everyone in our parish community know that Cardinal Cupich, in consultation with his advisors, has decided to lift the general dispensation from the obligation to attend Sunday Mass that has been in place since the pandemic began. This will also take effect with the First Sunday of Advent. Of course, there are exceptions for some who are elderly as well as immuno-comprised persons, but for the rest of us, it is time to return to the practice of our faith by gathering at the Lord's table on Sundays with our fellow parishioners/believers. Please pass the word on to those who most need to hear this important message.

Have a wonderful week everyone!

Dear Sisters and Brothers in Christ,

In so many ways—large and small—the pandemic has upended our lives together. Families and, in a special way, young people, have faced distressing struggles. The pandemic made our connections with one another challenging and difficult. Exactly in that moment when we truly needed supportive relationships with one another, we found ourselves separated. Sadly, this included the relationships and connections that we have in and through the Church.

We did our best to move forward and I am proud of our collective response to the challenges of the pandemic. When I announced a general dispensation from the obligation to participate in Sunday Mass, many parishes offered on-line Sunday Masses, and went even further and established prayer lines and reached out to those in need. The TV Mass that I celebrated helped to keep us connected as a community of faith in Chicagoland. So many of you have told me how healing and comforting those Masses have been.

In the meanwhile, we are in a new moment. With vaccinations and boosters, restrictions on public gatherings have eased up. Many people feel more comfortable returning to Church. Yet, we know there are some elderly and immuno-comprised persons who are still not ready to return. And they should not return. These vulnerable brothers and sisters have an excusing cause for being absent and for this reason I will continue the TV Mass on ABC for the present time. But for the rest of us, I have decided, in consultation with my advisors, to lift the general dispensation from the obligation of attending Sunday Mass as we begin a new Church year on the First Sunday of Advent, November 26-27.

My hope is that the First Sunday of Advent will provide us with a fresh start to take up again our life together as a community of faith that gathers to worship God. I have asked our pastors to begin the Masses on November 26-27 with the traditional lighting of the Advent wreath. After the homily your pastor will lead the community in a renewal of baptismal promises, acknowledging that we owe our obligation to participate in Sunday Mass to God but also to each other. Our common profession of faith and of our desire to turn away from sin, will be concluded by a sprinkling rite with the waters of baptism.

Let this occasion of our renewal of faith and life, which we all so much want, provide us with a fresh start as we recommit ourselves to worship God and to be supportive of each other week after week as we gather around the Table of the Lord to be nourished and renewed.

Sincerely yours in Christ,

Blase Card. Cupich

# CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT
# WORKING ON THE MARGINS

I should no longer say that I have neighbors to help,
but that I must myself be a neighbor to others.

—Pope Francis, *Fratelli Tutti*, no. 81

For more than 50 years, the Catholic Campaign for Human Development (CCHD) has supported organizations that combat poverty and improve the lives of people in communities across the United States. From empowering immigrants in towns along the southern border to advocating for improved housing and educational opportunities in northern and midwestern cities, CCHD-funded groups tackle a wide range of economic and social justice challenges that affect local communities in rural and urban areas.

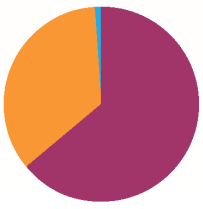

In areas of Tennessee where coal-mining operations and landfills have caused water pollution and other environmental damage, Statewide Organizing for Community eMpowerment (SOCM) works with governments and regulatory agencies to limit hazardous waste disposal in landfills and to require environmental cleanup as part of the permitting process for new business operations.

Environmental damage affects all of us, most especially low-income people who are affected by water pollution resulting from mineral extraction, lack of access to healthy foods in urban "food deserts," and natural disasters caused by climate change. The Church teaches that "the natural environment is a collective good, the patrimony of all humanity and the responsibility of everyone" (Pope Francis, *Laudato Si'*, no. 95). Since the release of *Laudato Si'* in 2015, CCHD has invested more than $4.3 million in organizations that work to protect the environment and combat pollution. When you support CCHD, you support organizations that work to protect the air, soil, and water for all the members of their communities.

## EYES ON YOUR OWN PAPER

"Nation will rise against nation, and kingdom against kingdom. There will be powerful earthquakes, famines, and plagues from place to place."

Looking at these words, I have to wonder. Am I reading the Bible or today's newspaper headline?

It's never easier to despair than when you glance up and take a good look at what's going on in the world: disasters, natural and contrived, wars, resentments, rivalries, and divisions. It is almost too much sometimes, isn't it? The twenty-four-hour news cycle doesn't help. Add social media and it's enough to push anyone into a nervous breakdown.

When you find yourself in this place of despair, remember Paul's admonishment in his letter to the Thessalonians. Work quietly and eat your own food.

It's not so different from the old "keep-your-eyes-on-your-own-paper" rule of the classroom. Poking our noses into other people's business, we may think we are getting a shortcut to the right answer, but we're really just getting distracted. When we become too preoccupied with events that we cannot control — whether they are happening in our neighborhood or half-a-world away — we are tempted to leave off the very specific work God has given us in our own lives. We are easily lured into anger, bitterness, and anxiety.

What is the work that God has called you to? Is it your career? Your family? Your community? What is your food — what nourishes you, sustains you, connects you to something real, powerful, and life-giving? This is what you should be concerned with. This is where your thoughts and your efforts should be.

Work quietly and eat your own food.

*—Tracy Earl Welliver, MTS*

## HOW DOES A PERSON BECOME A CANONIZED SAINT?

It is important to remember that all the saints are people, real people who lived just as we do! The first saints of the Church were martyrs or theologians known for a holy life. Over time, the Church has established a set process to investigate the causes of saints.

After a holy person's death, the bishop of their diocese initiates the canonization process with the Vatican. Typically, they must wait five years to ensure any false enthusiasm has lessened. With Vatican approval, the process begins and the person receives the title "Servant of God." The first phase involves collecting information about the person's life and scrutinizing it carefully. One person has the specific role of raising doubts — this is the origin of the phrase "devil's advocate!" When it is clear the person truly lived a heroically holy life according to Church teaching, they are declared "Venerable."

If the person is a martyr for the faith, they will also be declared "Blessed." If the person is not a martyr, they must be credited with a miracle. This is also closely examined for authenticity. Once the miracle is authenticated as truly a miracle performed by God through the person or through their intercession, they are beatified. An additional authenticated miracle is required before canonization, and we can call them "Saint."

## LIVE THE LITURGY

**Inspiration for the week**

Jesus assures us that the world, as we know it, will one day come to an end. When will this be? In one sense, having an answer to that question really does not matter. Faith is faith and either we have it or we do not. Secure in that faith, we know that when one thing ends, another begins. In the meantime, we are asked to persevere and remain strong through all of life's inevitable challenges and obstacles. What we see and experience as we journey to the day when all is one in Christ, may cause our faith to be shaken and tested. Trust and endurance are what are needed as world events unfold. Even though life can be uncertain and terrifying at times, faithful people will be protected. It does not matter what day or hour the end will come. We must remain ready and vigilant anyway.

## SAINT OF THE WEEK

Saint Margaret was born in exile around 1045, in what is now Hungary. She is the daughter of Princess Agatha of Hungary and Edward the Atheling the Anglo-Saxon heir to the throne of England. The family returned to England, but Edward died soon after their arrival, making Margaret's brother Edgar the presumptive heir. However, the Norman Conquest would turn their world upside down. Agatha and her children fled the country. They likely intended to go back to Hungary, but they were shipwrecked off the coast of Scotland.

King Malcolm Canmore III took the exiles under his wing, and he fell in love with the beautiful and gracious Margaret. Although she initially rebuffed his proposals, the couple were married in 1070 at castle of Dunfermline. Margaret and Malcolm had eight children, six sons and two daughters. Margaret brought culture to the Scottish court and used her influence to soften her rough husband. The saint led a life of austerity, aiding Church reform, promoting Easter communion, and founding churches and monasteries. She instituted the Queen's Ferry to the shrine of St. Andrew and founded pilgrimage hostels.

Saint Margaret, Queen of Scotland, died on November 16,1093, four days after her husband and eldest son were killed in the battle of Alnwick. She was canonized by Pope Innocent IV in 1250 and named patron of Scotland in 1673.
