FROM THE DESK OF FR. RICH

Today we celebrate the Twentieth Sunday in Ordinary Time.

In 597 B.C., Babylon (located in modern-day Iraq) defeated Jerusalem, and thousands of Jewish leaders and citizens were taken into exile. The prophet Jeremiah was among those left behind. When he preached trust in God rather than armed revolution, the people considered him a traitor.

Commonly referred to as a letter. Hebrews is really a lengthy sermon that encourages people to remain faithful in difficult times. In the previous section of this book, the author cited Old Testament witnesses who had done just that. Now, the author points out the greatest example of fidelity.

****

You may not be aware that being asked to be a baptismal godparent for the child of a friend or family member or a sponsor for the Sacrament of Confirmation comes with great honor and with significant responsibility. For this reason, many parishes require that the person being asked to fulfill these significant roles receive a letter or certificate of membership and participation in their own parish. One might ask, **"Why is it so important for Baptismal or Confirmation Sponsors to be registered in a parish?"**

Parish membership is one of the major indications that we take our faith seriously. The parish offers stability for our regular celebration of the Eucharist. We need the community of believers to support and nourish our faith life.

The Catechism quotes St. John Chrysostom: "You cannot pray at home as at church, where there is a great multitude, where exclamations are cried out to God from one great heart, and where there is something more: the union of minds, the accord of souls, the bond of charity, the prayer of the priests." (The Catholic Catechism #2179)

If we can say that we don't need a faith community to be Catholic, we deny the foundation upon which the Church was built. Jesus began His Church by forming a community of men and women to whom he handed over the faith. He built His Church on this community of apostles and disciples.

The early Church understood the importance of community life and the Faith spread because the Apostles and St. Paul formed communities (churches) in various cities. The early Church knew that the community was essential. How can we today, sustain our Catholicism apart from the parish community? What then gives us nourishment? How then do we continue to learn about our faith? Where is our stability? The Church does not exist apart from parish life. It is parish life.

When someone joins the Kiwanis, they are expected to attend monthly meetings. If they are out of town, they attend a local meeting, but when they are in town, they are supposed to attend with the group they have joined. If a mere club finds this action so important, how can we place so much less importance on attendance at Eucharist within our own parish community?

Church Law tells us that to be a sponsor it is necessary, in part, to be sixteen years old, be Catholic, fully initiated (having received the sacraments of baptism, confirmation, Eucharist) and **living a life of faith which gives witness to this initiation.** (#874) If we are not parishioners, we are disconnected from the regular faith life of the church.

If we are disconnected from the Church's faith life, then to what do we witness? How can we sponsor someone into something in which we do not believe or participate in? How then can we give proper example to the child we are supposed to be sponsoring?

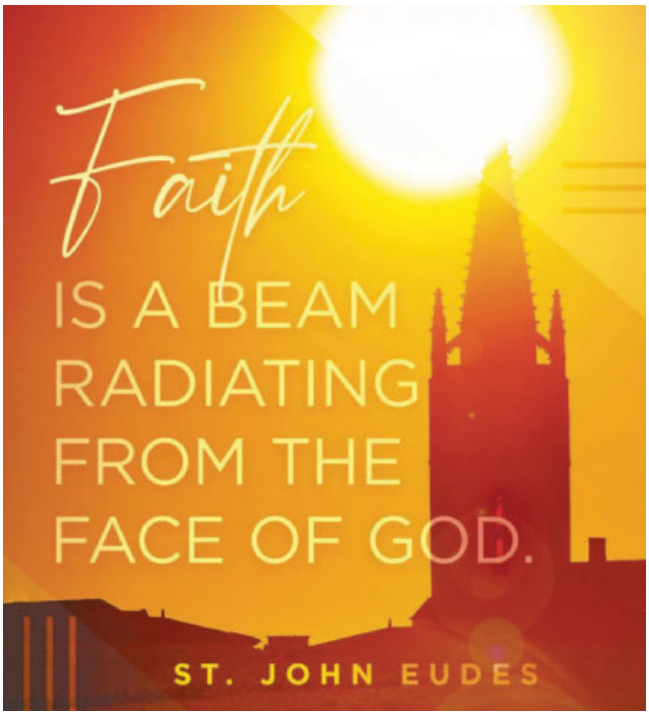

And if I don't belong to a parish now?

You may take this opportunity to register at the parish where you attend. If the priest is familiar with your attendance and participation, he may be willing to sign and seal the Sponsor Certificate. **Please do not get upset if he will not sign your certificate, because he cannot affix his name to a certificate that he cannot truly attest to what he is being asked to confirm.** If you have very recently changed locations, you may wish to contact your former parish and have that priest sign your certificate. At the same time, you will want to establish membership at your new location.

****

Finally, I have some great news to share regarding our Generation to Generation Campaign. Many have been asking me if we met our goal because the thermometer looks like we did. Unfortunately, we were $7,802.50 short of reaching our goal, but I was confident we would get there. Gratefully, a very generous parishioner asked our Operations Director, Lisa Keeney, that question a couple weeks ago. When she shared the amount we were short of reaching our goal, he responded by making his pledge to the campaign that would get us to our goal and beyond. I am so grateful to parishioners like him and all those who have supported this Campaign that is ultimately going to help our parish with the projects that so desperately need to get done. If EVERYONE had done their part and shared something/anything imagine the projects and improvements that could be tackled. Just to let everyone know… it is not too late to make an offering/pledge to either the Campaign or to our parish. Thank you so much.

Rosaries for an End to Taxpayer Funding of Abortion

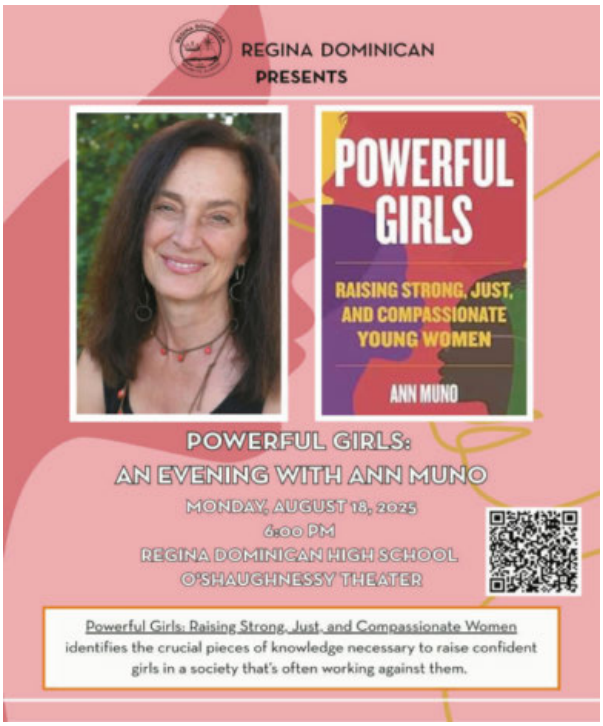

Archbishop Timothy P. Broglio, president of the United States Conference of Catholic Bishops, and Bishop Daniel E. Thomas, chairman of the USCCB's Committee on Pro-Life Activities, are making a nationwide invitation to daily prayer for the end of taxpayer funding of the abortion industry. This is the intention of the Rosary Guild this week. Members include Emily A., Lori G., James H., John I., Lita J., Evelyn K., Terri K., Lonnie M., Mary M., Ted M., Josephine N., Emilie P., Stefania P., Jean R., Demi S., and Shirley S. The USCCB is asking Catholics to pray the following prayer each day until October 1, the beginning of Respect Life Month.

Dearest St. Joseph, at the word of an angel, you lovingly took Mary into your home. As God's humble servant, you guided the Holy Family on the road to Bethlehem, welcomed Jesus as your own son in the shelter of a manger, and fled far from your homeland for the safety of both Mother and Child. We praise God that as their faithful protector, you never hesitated to sacrifice for those entrusted to you. May your example inspire us also to welcome, cherish, and safeguard God's most precious gift of life. Help us to faithfully commit ourselves to the service and defense of human life—especially where it is vulnerable or threatened. Obtain for us the grace to do the will of God in all things. Amen.

August, the Month of the Immaculate Heart of Mary

In the Living Rosary, you can pray a decade of the Rosary each day for the triumph of the Immaculate Heart of Mary for the glory of the Most Holy Trinity, and in honor of Saint Philomena, who is the patron of the Living Rosary.

In the moments when my faith is met with others' disdain or ridicule, give me the grace to be grounded in You. Remind me that Your mission matters, and that You alone bring comfort, healing, and salvation.

Gospel Meditation

Encourage Deeper Understanding of Scripture

During my baseball career, my best coach often said, "You shouldn't be worried if I yell at you. Be worried if I don't. If I stop pushing you, it means I don't think you have any more potential." He demanded a lot, and I knew it meant he saw that I could be something special on the baseball field.

Jesus says some demanding words to us this week. **"Do you think I have come to establish peace on the earth?" he asks, "No, tell you, but rather division" (Luke 12:51).** He wants you and me–in fact, all the earth–to participate in the luminous glory of God. That's why he speaks of himself as a divine arsonist. Divine fire is like a good coach: it demands the removal of all that obstructs the achievement of the lofty goal.

How is your life demanding right now? That inconvenient family situation, the unfair boss at work, the kids who reject their parents' wishes, the nagging health issue? Maybe things would be more peaceful devoid of these seemingly arbitrary difficulties. But for us who believe in the one who comes to set the earth of fire, we should be much more worried if he stops demanding so much from us. In fact, let's thank him for it. He sees how glorious we can become.

— Father John Muir
