FROM THE DESK OF FR. RICH

Today we celebrate the Twenty-first Sunday in Ordinary Time.

When the Jews returned from exile in Babylon, they found their beloved Jerusalem in shambles. In today's passage, the prophet looks ahead to better days when people from foreign lands will flock to Jerusalem as the city built by God.

The letter to the Hebrews was written to people who had become discouraged and were losing faith. Today the author quotes a text from the Old Testament book of Proverbs, and finds in it encouraging words.

Life is all about learning. As parents, teachers, priests, grandparents, mentors, etc. we try to teach our children or those whose lives we have an influence on, life lessons that will carry them into adulthood. I came across the following "Life Lessons" a while back and may even have shared these before, yet, I thought you might appreciate the messages as much as I do.

1 – First Important Lesson – Cleaning Lady. During my second month of college, our professor gave us a pop quiz. I was a conscientious student and had breezed through the questions until I read the last one: "What is the first name of the woman who cleans the school?" Surely this was some kind of joke. I had seen the cleaning woman several times. She was tall, dark-haired and in her 50's, but how would I know her name? I handed in my paper, leaving the last question blank. Just before class ended, one student asked if the last question would count toward our quiz grade. "Absolutely," said the professor. "In your careers, you will meet many people. All are significant. They deserve your attention and care, even if all you do is smile and say "hello." I've never forgotten that lesson. I also learned her name was Dorothy.

2 – Second Important Lesson – Pickup in The Rain. One night, at 11:30p.m., an older African American woman was standing on the side of an Alabama highway trying to endure a lashing rainstorm. Her car had broken down and she desperately needed a ride. Soaking wet, she decided to flag down the next car. A young white man stopped to help her, generally unheard of in those conflict-filled 1960's. The man took her to safety, helped her get assistance and put her into a taxicab.

She seemed to be in a big hurry but wrote down his address and thanked him. Seven days went by and then a knock came on the man's door. To his surprise, a giant console TV was delivered to his home. A special note was attached. It read: "Thank you so much for assisting me on the highway the other night. The rain drenched not only my clothes, but also my spirits. Then you came along. Because of you, I was able to make it to my dying husband's bedside just before he passed away… God bless you for helping me and unselfishly serving others." Sincerely, Mrs. Nat King Cole.

3 – Third Important Life Lesson – Always Remember Those Who Serve. In the days when an ice cream sundae cost much less, a 10-year-old boy entered a hotel coffee shop and sat at a table. A waitress put a glass of water in front of him. "How much is an ice cream sundae?" he asked. "Fifty cents," replied the waitress. The little boy pulled his hand out of his pocket and studied the coins in it. "Well, how much is a plain dish of ice cream?" he inquired. By now more people were waiting for a table and the waitress was growing impatient.

"Thirty-five cents," she brusquely replied. The little boy again counted his coins. "I'll have the plain ice cream," he said. The waitress brought the ice cream, put the bill on the table and walked away. The boy finished the ice cream, paid the cashier and left. When the waitress came back, she began to cry as she wiped down the table. There, placed neatly beside the empty dish, were two nickels and five pennies… You see, he couldn't have the sundae, because he had to have enough left to leave her a tip.

4 – Fourth Important Lesson – The Obstacle in Our Path. In ancient times, a king had a boulder placed on a roadway. Then he hid himself and watched to see if anyone would remove the large rock. Some of the king's wealthiest merchants and courtiers came by and simply walked around it. Many loudly blamed the king for not keeping the roads clear, but none did anything about getting the stone out of the way. Then a peasant came along carrying a load of vegetables. Upon approaching the boulder, the peasant laid down his burden and tried to move the stone to the side of the road. After much pushing and straining, he finally succeeded. After the peasant picked up his load of vegetables, he noticed a purse lying in the road where the boulder had been. The purse contained many gold coins and a note from the king indicating that the gold was for the person who removed the boulder from the roadway. The peasant learned what many of us never understand! Every obstacle presents an opportunity to improve our condition.

5 – Fifth Important Lesson – Giving When It Counts… Many years ago, when I worked as a volunteer at a hospital, I got to know a little girl named Liz who was suffering from a rare and serious disease. Her only chance of recovery appeared to be a blood transfusion from her 5-year-old brother, who had miraculously survived the same disease and had developed the antibodies needed to combat the illness. The doctor explained the situation to her little brother, and asked the little boy if he would be willing to give his blood to his sister. I saw him hesitate for only a moment before taking a deep breath and saying, "Yes, I'll do it, if it will save her." As the transfusion progressed, he lay in bed next to his sister and smiled, as we all did, seeing the color returning to her cheeks. Then his face grew pale, and his smile faded. He looked up at the doctor and asked with a trembling voice, "Will I start to die right away". Being young, the little boy had misunderstood the doctor; he thought he was going to have to give his sister all his blood to save her.

****

Finally, just a reminder that Monday, September 1st, is Labor Day. From its origin as a federal holiday in 1894, Labor Day celebrated the economic and social contributions of our country's workers. This day has also come to be celebrated by most Americans as the symbolic end of the summer.

I wish all in our parish community a Happy Labor Day. May it be a day spent enjoying the company of your family and friends as best as you can and thanking God for the many blessings that each of us has been given.

Our Queen of Peace parish family will celebrate this day with a community Mass at 9:00 a.m. on Monday, September 1st, at St Eugene Church. Please plan on starting your holiday with your parish community on Labor Day morning.

Have a safe and great week everyone!

Peace!

Fr. Rich Yanos

Rosaries for Peace

Cardinal Blase Cupich went on a Pilgrimage of Peace in Japan during the 80th anniversary of the atomic bombings in Hiroshima and Nagasaki. In his remarks in Nagasaki on August 7, Cardinal Cupich said, "Genuine peace is more than a fearful truce. The human race must commit itself to the end of the nuclear arms race, for it is a race which none can truly win but countless millions can truly lose." The Rosary intention of the Queen of Peace Rosary Guild this week is to pray for peace, and all are invited to pray a Rosary for this intention. Members include Emily A., Lori G., James H., John I., Lita J., Evelyn K., Terri K., Lonnie M., Mary M., Ted M., Josephine N., Emilie P., Stefania P., Jean R., Demi S., and Shirley S.

Anointing of the Sick Mass

When: Saturday, September 27, 2025 at 10:00 a.m.

Where: Our Lady, Mother of the Church, 8747 W. Lawrence Ave., Chicago, IL 60656

Jesus came to heal the whole person, body and soul.

The US Conference of Catholic Bishops writes:

In the Church's Sacrament of Anointing of the Sick, through the ministry of the priest, it is Jesus who touches the sick to heal them from sin – and sometimes even from physical ailment. His cures were signs of the arrival of the Kingdom of God. The core message of his healing tells us of his plan to conquer sin and death by his dying and rising. When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be physically healed of illness. But even if there is no physical healing, the primary effect of the Sacrament is a spiritual healing by which the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties that accompany serious illness or the frailty of old age.

Who may receive the Sacrament of the Anointing of the Sick?

- The elderly who are weakened or in a state of decline
- Those who are facing surgery due to a serious illness
- Those who are suffering from serious mental illness
- Sick children who have enough use of reason to be strengthened by the sacrament
- The faithful in a coma who implicitly requested it when they were in control of their faculties

Please RSVP by completing the below form and place in the collection basket or call the office 773-775-6659.

Reception will follow in the Narthex.

THE BIBLE ACADEMY

PRESENTS NEW PROGRAM

THE BIBLE TIMELINE®: THE STORY OF SALVATION

The Video Presenter:
Jeff Cavins

Understand the Entire Bible!
A 24-Part Study Featuring Jeff Cavins

Date: Thursdays, beginning Sep 25th, 2025
Time: 6.30pm to 8.00pm
Where: School, Room 110
Cost: $30 for Study Materials
Facilitator: Fr. Jacek A. Dada

The Bible Timeline

The Story of Salvation is a fascinating Bible study that will take you on a journey through the entire Bible. Go deep into each period of salvation history and discover the amazing story woven throughout all of Scripture. Using a unique color-coded system, you will see how all the major people, places, and events of the Bible reveal the remarkable story of our faith.

Why should one join?

If you find reading the whole bible daunting, this is a good start. The Bible Timeline® will help you to piece all the parts together. Come and learn about our salvation history.

Who should join?

Those who want to grow in the Catholic faith and a deeper understanding of our salvation history;

My Takeaways are:

1. A better appreciation of salvation history through the chronological unfolding of events, the link between Old Testament & New Testament.

2. The application questions on key themes at each session drew our focus to how the early Christians' challenges are still relevant and applicable to our lives today.

3. I particularly liked the Talk Sessions where Jeff Cavins focused us on significant events, keen observations which we would have missed because we took the readings too literally. I am still struggling to understand & interpret the scriptures as it is written. Sometimes one gets lost in the Hebrew flowery language.

4. Lastly the Bible Timeline workbook provided a good reading plan that you can always refer to.
