A People of Life and For Life

The Knights of Columbus remains firmly committed to defending the right to life of every human being, from the moment of conception to natural death. Countless councils and individual Knights conduct projects aimed to build a culture of life in their individual communities. One of the most successful of the Order's initiatives in this area is the Ultrasound Initiative through which councils (both state and local) partner with the Supreme Council in provide sharing the cost of purchasing ultrasound machines for pregnancy resource centers.

What we choose to do, or not do, about abortion, euthanasia, human cloning and embryonic research impacts lives for generations to come. Take action now and support a culture that values human life at all stages.

1. Volunteer

Your valuable time can save precious lives.

2. Educate

Share your knowledge with others who may not fully understand the value of all human life, or take it upon yourself to find out more, so you can be a more effective witness for life.

3. Advocate

Work to change laws and touch hearts.

4. Donate

Your personal donation could make a big difference in the shoestring budgets of local pro-life organizations.

5. Pray

Prayer is the power that should support all of your pro-life activities. Pray for life personally and with your family.

Msgr. Joseph J. Raith Assembly 787

Faithful Navigator Message

Sir Knights,

Thank you for allowing me to lead our Assembly for this fraternal year. I hope to utilize all the information gained during my first year to improve on my productivity. I have learned quite a bit from the members.

This month we will be having our annual Field Mass at the Peace Gardens. It will be July 8th. If your schedule permits, it would be great to see a good showing from North Dakota.

Laura, from Right To Life is looking for volunteers to man their booth at the State Fair. The shifts are three hours each, with several available. If you are interested, you can contact Laura at (701) 258-3811. This is a worthwhile cause and any help will be greatly appreciated.

Take some time each day to pray for our country, that we may do right in God's eyes. We are being torn apart by hatred, discontent, and lack of respect for our country and each other. Only by turning back to God in our lives, schools, and church will we begin to heal. *"Lord, we are all sinners who look to You for our salvation. Please return to us and set our compass on the course to heaven. In Jesus' name I pray. Amen."*

As always, I can be reached at (701) 340-2101 or fc Coleman@min.midco.net. I would be glad to hear and act on your concerns.

On Course Editor Message

Keep Corey Bohlig, On Course Editor, in your prayers.

Corey has had a little set back and is working on his health. He is doing okay but now working on getting the kidneys stronger.

Lord, look upon Corey with eyes of mercy, may your healing hand rest upon him, may your life-giving powers flow into every cell of his body and into the depths of his soul, cleansing, purifying, restoring him to wholeness and strength for service in your Kingdom. Amen.

Our Lady of Grace Council 4894

Grand Knight Message

Greetings Brother Knights,

I hope this message finds everyone healthy and enjoying the beautiful weather we have been having. We are thankful for the recent rains to help all growing things. It was also certainly welcomed by the farmers for their crops.

The Knight of the Month is Deacon Steve Streitz. He is our parish manager and is always at the church to help anyone with a problem or question. He performs many baptisms, heads the RCIA Program and puts in countless hours outside of his parish manager duties. He is a very good example for the Knights to follow.

The Servers of the Month are Kaydence and Kaitlyn Klein. They are always ready to help when needed.

The Family of the Month is Dick and Mary Dupre. Dick has been involved in the 10:30 a.m. parish choir for many years, and has helped out in the RCIA classes with faith stories. Dick and Mary have now dealing with health issues and have moved into an assisted living facility. We will miss them and wish them happiness in their new home.

At our last meeting on June 11th we had election and installation of council officers. Now our officers and council members are off to another year helping others in many ways. Congratulations and thank you to all of our officers for taking leadership responsibilities for our council.

We will not be having a meeting in July since many Knights are participating in the Big Smoke at St. Johns Parish on July 9th. Our next meeting will be on August 13th. We will be praying the Rosary in Mary's Garden at 6:30 with the meeting to follow at 7:00 p.m.

District 8 District Deputy Message

District Deputy Message,

July is here and the kids are out running around. Let's be extra careful on the road and look out for motorcycles and children.

Jake Werner, our new State Deputy, has asked be to continue on as District Deputy for District 8 and I have accepted the position for another year. I will try to do my best for all the members and officers in District 8.

Here are items to remember for the month of. You should have your new officers selected for the next fiscal year. If you have not scheduled a ceremony for your officers, please give me a call. If you have not submitted your form 185 yet, please get them turned in. A new fiscal year has started and I would like to see at least one council from our District make the Star Council Award this year. If you do not know what it takes to get the award, please give me a call or talk to me about it when I attend on of your meetings.

Thanks to all the officers for doing a good job in their councils the past year, and welcome to the new officers that are taking their place.

Remember to get your monthly hours turned in by the 15th of each month.

The 58th Annual Knights of Columbus International Peace Garden Field Mass will be held this year on Sunday, July 8th, hopefully you can make it, you will not regret going. It starts at 11:45 with a rosary recited in 5 different languages. Mass starts at noon CDST. The Most Reverend John Folda, Bishop of Fargo, will be the celebrant, leading us in prayer for World Peace and the Family.

In closing, pray with me -
O most holy heart of Jesus, fountain of every blessing, I adore you, I love you, and with lively sorrow for my sins I offer you this poor heart of mine. Make me humble, patient, pure and wholly obedient to your will. Grant, Good Jesus, that I may live in you and for you. Protect me in the midst of danger. Comfort me in my afflictions. Give me health of body, assistance in my temporal needs, your blessing on all that I do, and the grace of a holy death. Amen.

Insurance Field Agent Message

The Value of Life Insurance for Children

As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.

Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?

heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child.

Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.

DID YOU KNOW?

- Pope Francis was born on 17th December 1936.
- He was born in Buenos Aires, Argentina.
- No other Pope in Catholic history has had the name Francis, and he is also the first Jesuit to be elected as Pope.
- While some may think he studied Theology, Pope Francis actually studied for a Master's Degree in Chemistry and used to teach the subject in high schools.
- His Holiness isn't one to sit back and get waited on hand and foot, choosing rather to cook his own meals. He's a big fan of cooking, and rumor has it that one of his specialty dishes is paella. (A Spanish rice dish)

St John Council 1150 *Grand Knight Message*

Brother Knights,

Did anybody else think May and June went flying by? It got a head start with the North Dakota Knights of Columbus State Convention in Bismarck, ND, then driving to Missouri for a nephew's wedding, working with the Honoring Those Who Serve committee, doing work on my home, and my job. I can only imagine how busy the life is for younger couples trying to work in their children's sports practices and traveling for games. Keep this in mind as we approach younger parish members about joining the ranks of the Knight of Columbus. This has to be something they want to do. Remind them our Faith does not begin and end at the threshold of the Church. Our Faith is something we have and share at home and take with us wherever we go. This is the Domestic Church. Remind them the Church and Knights of Columbus are here to help build and reinforce their Domestic Church.

I was honored to represent Council 1150 at the 2018 North Dakota Knights of Columbus State Convention in May. It was nice to meet up with old friends, make some new friends, see what other councils are doing, and learn what Supreme has planned for our organization. As a member of the Fourth Degree I was not overly impressed with the new uniform, however I ordered mine. I looked at it hanging on the hanger and was still not impressed with the new uniform. While at convention I put on my new uniform and attended the Fourth Degree meeting still not feeling comfortable. Once I saw many of the other Sir Knights wearing the new uniform I could see it was a reflection of today's Fourth Degree Knights of Columbus. It provided us a professional appearance that still allowed us to stand out as the Right Arm of the Church.

Members of Council 1150 have been helping do some up keep maintenance both on the church grounds and at the Rectory. Thank you to those Knights who offered their time and efforts to keep our Parish looking great. Some other activities our members assisted in were: selling roses on Mother's Day for the Respect Life Committee, and cooking and serving breakfast for our active duty and veterans with the Honoring *Those Who Serve* committee.

If you are looking for a moving experience, listen to over 100 men pray the Rosary together. Personally this was a high point of the 2018 convention in Bismarck.

Viviat Jesus,

Dan Heald
Grand Knight, Council 1150

St. Leo's Council 9906 *Grand Knight Message*

Brother Knights,

We are about to close our fraternal year and I want to take this opportunity to thank each and every knight for their efforts for not only our council over the past year but more importantly our parish life and faith. We are nothing without God, that is an undeniable truth, but without each other we cannot always achieve what God desires for/of us.

We have in our lives many opportunities to evangelize, maybe not like the Apostles walking from town to town, but rather in our day to day lives and our actions as we are gathered together serving shoulder to shoulder with our brother knights. We have opportunities to change the lives of those around us, a great responsibility and one we should not take lightly. We cannot do what we do alone though, so as we enter into a new fraternal year please take every opportunity to be involved and see what the Knights of Columbus can do for you and what you can do for Christ.

With that being said, the ND Right to Life has their booth at this year's state fair again and is looking for volunteers. We are entering a crucial time in the fight for the life, one that could change the course of history for generations, so if you can help out please get ahold of me and I'll make arrangements for a shift or two.

Other upcoming events:

Thursday, July 19th – Meeting at the club

starting at 6:30 pm with the Rosary

Friday, July 20th – Float decorating at Corey Bohlig's house starting at 6:00 pm

Saturday, July 21st – ND State Fair Parade, location and meeting time tbd watch for bulleting announcements

Please know that all knights and their families are welcome to participate in both the decorating and in the parade itself. Free admission to the fair is included as part of your participation in the parade! I thank you for everything that you do for the Knights and our charitable endeavors and wish God's Blessings upon you and your family.

As always, also please consider becoming more active in your council including taking on an officer position (Grand Knight awaits).
