FAQ

Do you only use roses?

We can work with roses, carnations, mums, lilies and most any flower.

Do the flowers have to be fresh?

No. Flowers can be fresh, or years old, as long as they are not moldy.

How do I prepare my flowers?

Cut the flower from the stem; place on dry newspaper or paper towel, and keep in a DRY area of your home.

DO NOT FREEZE your flowers.

How many flowers do I need for a rosary?

As a rule of thumb, one LARGE size rose or one LARGE carnation is generally enough for one Rosary. Rosaries require 59 beads. Chaplets and jewelry or car items require less beads per item.

Will the beads be the color of my flowers?

No. All flowers turn black in the process. A specific color may be requested on the order form. Available colors are shown in the brochure.

How long will it take to make my order?

The usual turnaround time is 2 – 3 months. Allow more time for especially large orders.

How do I ship my order to you?

Flowers can be shipped using a small box or padded mailing envelope. Place flowers on layers of dry newspaper or paper towel. It IS NOT NECESSARY to wrap flowers individually. We recommend shipping flowers via Priority Mail, FedEx or UPS with delivery confirmation.

What payment do you accept?

We accept either cash, check or money order. Make checks out to: Augustinian Nuns.

Thank you for your interest in our Memorial Rosaries and Keepsakes

We are a community of Augustinian Nuns of Our Mother of Good Counsel Monastery in New Lenox, IL. As members of the Order of Saint Augustine we witness, through our contemplative life, that special Augustinian charism of being "one in mind and heart on the way to God."

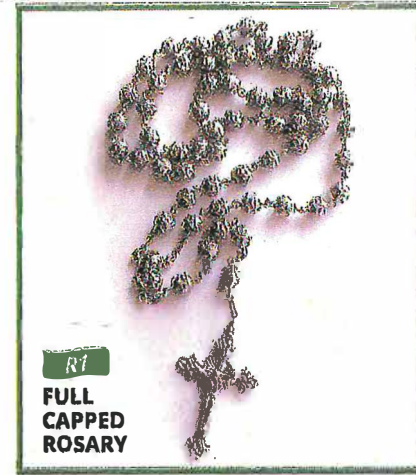

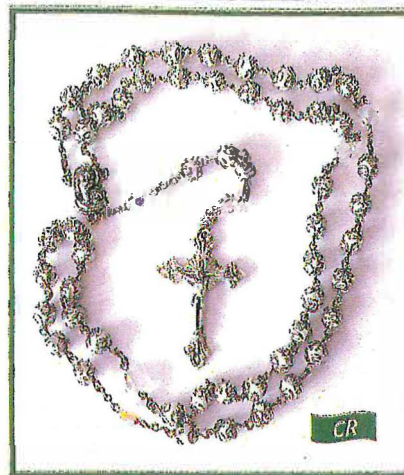

**The Rosary Display Office is not available
and we ask that orders be shipped to us.**

For those who live close by, a drop box is available at the front entry of the Monastery. You are welcome to leave your flowers, order and payment there. If you choose this option, kindly place your flowers, order and payment in a sealed bag or container.
