#### HELP CHARLIE & BINGO HEAL

Charlie and Bingo, are in need of x-rays to assess injuries that are causing them trouble. Charlie is struggling with pain in his rear leg. Bingo needs an x-ray to evaluate a potential injury. These vital diagnostics are the first step toward their recovery. Every dollar brings us closer to getting them the care they deserve.

#### ★ SUMMER PLAY-GROUP! ★

Our dogs have been taking advantage of the nice summer days or "dog days" by engaging in our play-groups. Besides documenting their behavior, we get to see how they interact with each other as they run and play!
