## Little Shepherd's Sheep Show

**Purpose:** To provide youth an opportunity to get involved with the fair regardless of livestock knowledge or availability.

**Who may show?** Youth ages 5-9 who are not entered in the junior fair sheep show are the target audience. Others will be allowed-just ask!

### **How is this set up?**

- Children will need to have a parent/guardian sign the attached form in order to participate.
- It is highly encouraged to use a younger animal. The child will need to have a parent/older youth assist the child in the show ring.
- Children must use an exhibitors' sheep that is already on the premises for this show. It is your responsibility to communicate with the exhibitor for permission to use their sheep. No additional animals will be permitted onto the fairgrounds to participate in this event.
- Pre-registration is required by July 1st.
- There will be no judge, however, each child will be asked some basic questions about their animal. Examples are:
  - What is the name of your animal?
  - How old is your animal?
  - What does your animal eat?
  - Do you like showing sheep?
  - How much does your animal weigh?
  - What kind of animal is it?
- All animals must be shown with some type of halter/lead.
