

# League of Ancient Dragons (LeAD)

Dear Parents and Guardians,

We are excited to introduce the **League of Ancient Dragons (LeAD)**, a volunteer program aimed at enhancing safety and fostering a more secure and supportive environment at KAPS. **The primary goal of LeAD is to increase positive interactions between adults and students on campus while providing a visible presence of support and accountability.** By volunteering with LeAD, you'll have the opportunity to not only keep a watchful eye on our dragons but also to engage with them in meaningful ways.

- LeAD is open to parents, guardians, and community members.
- Volunteers are welcome at any time, but especially during peak hours such as morning drop-off, lunch, enrichment, and in-between classes.
- All volunteers must complete a background check and an online orientation.

To sign up for LeAD or learn more about the program, **scan the QR code** or contact Nina Ramos at [ninalindaramos@gmail.com](mailto:ninalindaramos@gmail.com). We look forward to having you join us on this important journey!
