To Whom It May Concern,

The Tampa Bay Juneteenth Coalition is hosting various community events in observance of Juneteenth, our nation's newest federal holiday. Our mission is to encourage cultural awareness of our history through education.

The purpose of the Tampa Bay Juneteenth Coalition is to encourage cultural awareness of our history. This encouragement and knowledge will be by means of events and activities purposely crafted to perpetuate unity throughout the Nation. Furthermore, we strive to empower the community through unification and education to elevate Tampa Bay's youth as we continuously work to bring "Florida into Focus."

With your support, we can help strengthen community relations and make a positive impact in the communities that we both live in and serve. Your support enables us to continue to grow our programs and launch new initiatives that are responsive to the needs of our communities. We greatly appreciate your consideration of our request.

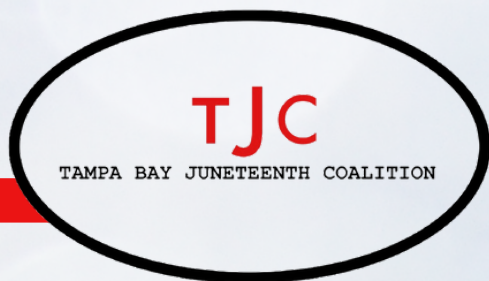

On behalf of the Tampa Bay Juneteenth Coalition, we thank you for your support.

Sincerely,

Dr. P. Tucker-Johnson, President
