that we will share this truth with others. We pray that You will use us, Lord, to speak Your words into the lives of others. We want to bring people to You.

Lord, thank You for never giving up on us. Thank You for continually working to get our attention and calling us to the right path to take – the path that leads to Your blessings. We thank You for Your patience and for bearing with us when we choose to go our own way and do our own thing. Thank You for the gift of the Holy Spirit, who always correctly interprets what You have to say into our own spirit, so that we can be drawn back into fellowship with You.

Heavenly Father, we thank You and praise You for being so good to us. How often we have been passive when we should have been bold listeners. We pray that the Holy Spirit, who is living within us, would remind us that You are God. We pray that we would continue to seek to know Your voice. And we pray that You would continue to help us see the hallmarks of Your messages so we know the direction we receive is from You on the path we should take.
