

TRENTON<sup>TM</sup>  
INTERNATIONAL

*ATHENA*<sup>®</sup>

Lincolnshire, UK

**HOTEL & RESTAURANT 2011**

Trenton International is proud to announce we are now the exclusive distributor in Australia and New Zealand of Athena table and serving ware.

Trenton is a family owned company with our main operation based in Sydney, shipping to all parts of Australia and exporting to the world.

Our reputation for providing quality of both product and outstanding yet personal service has contributed to steady and sustainable growth. Since 1994 we have continually updated and expanded our range of products to meet the needs of our customers.

Athena table and serving ware presents contemporary yet timeless pieces suitable for all operations. Founded in Lincolnshire to specifically service the hospitality market, Athena has remained committed to the objective of perfectly blended design and functionality. With strong influence from their respective designers, each piece of Athena table and serving ware is manufactured in ISO-9001 certified factories, from food safe materials.

We at Trenton look forward to working with you into the future to meet your customers specialised needs.

Thomas Reiner  
Managing Director

## DELUXE INDUCTION CHAFING DISH

Reflects a perfect blend of elegant design and practical function. The dish can go by itself for quick & contemporary set up or along with matching stand for a more classic environment. Commonly used heating sources like induction, electric & fuel are all suitable.

The patented hinge mechanism assures smooth, gentle and silent opening and closing of lid which helps to define the class of a buffet.

### LID POSITION

- opens up to maximum 90°
- stays open at approx. 65°
- initiate to close by pressing down gently
- lid falls & closes automatically & silently

### NOISE STOPPER

- ease noise of closing lid

### WATER RETURN SYSTEM

- condensation flows back to water pan instead of food

- 18/10 STAINLESS STEEL BODY
- WITH CAPSULED BOTTOM COMPATIBLE FOR INDUCTION, FUEL AND ELECTRIC HEATER
- EU1935/2004 FOOD SAFE STANDARD CONFORMED

### DETACHABLE LID

- for quick & easy cleaning

### HYDRAULIC HINGE

- for smooth opening & closing of lid

### ADJUSTABLE LEVEL SUPPORT

- for a perfectly level placement when required

### CAPSULED BOTTOM

- multi layer bottom for fast & even heating

### INSERT LIFTING PIN

- changing food pan easily

## DOUBLE WALL GLASS

Thermo Double Wall Glass is the latest trend of glassware for serving cool & hot drinks. Thanks to the double-wall feature, drinks can now stay cool or hot much longer than before, while keeping your hands comfortable.

They are made with a raw material named borosilicate which is highly transparent, extra strong but very light. Look at each piece you may observe a unique touch because every single piece is carefully mouth blown by a skillful craftsman.
