Lincoln Funeral Home Commitment

At Lincoln Funeral Home & Memorial Park, we are driven to be the indisputable choice for funeral and cemetery services in each of our communities. This can only occur if there is a strong culture at the business where each employee is personally committed to serving our families. A strong culture like this is anchored in our values, Respect for the Family, Respect for the Individual, and Respect for the Profession.

As part of our commitment, we endeavor to educate our community on the value and significance of funeral and cemetery service. We believe in its significant impact on the way families begin the healing process of grief. We have an expertise and courage to advise families and to allow for the healing to begin here.

All funeral and cemetery providers are not the same. Although some have tried, there is no true way to do a comparison of any two businesses by just reviewing their price lists. A reputable firm will engage you in a conversation about your loved one and how they can help you honor their life. Your final determination when selecting a provider should be made only after knowing confidently who will care for your loved one and family in the most meaningful way possible.

Complete Funeral Packages

To help make funeral planning easier for you, Lincoln Funeral Home offers several Personalized Memories Burial and Cremation Packages. These packages provide you with a wide range of selections, options, and prices. Most importantly, they allow you to devote more time to personalizing the service as you celebrate the life of the person you are honoring. Each package is designed to provide a complete funeral ceremony, including both the professional services and necessary merchandise. Detailed descriptions of the various packages are included in this brochure. If you do not want to choose one of these complete funeral packages, you may choose individual items listed in our General Price List.

Our Payment Policy

To lose someone you love is a devastating human experience. It is frequently traumatic and can seriously impact judgment. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic in respect to funeral expenditures. We do not want a family to spend more than they should nor less than they would like. What is important is that the arrangements be in keeping with the family's wishes and budget. Provisions for payment are due prior to the date of service. To avoid any possibility of misunderstanding or embarrassment and for your convenience we accept the following methods of payment; cash, check, credit, debit card, insurance assignment of verifiable life insurance*, payment by forwarding or receiving funeral home, or pre-paid funeral plan. Please feel free to consult your funeral director with all questions or concerns.

*Proceeds from one or more insurance policy or policies can be assigned to the funeral home in an amount sufficient to satisfy the cost of the services. There is a processing fee of 6.9% of your total contract price or \$150, whichever is greater. We use a third-party insurance company to process all insurance claims. Any policy less than two (2) years old cannot be accepted as payment.

Pre-Planning Assistance

We provide free assistance with pre-planning. You have the option of locking in today's prices and funding your funeral plan relieving your loved ones from these difficult decisions or simply placing your wishes on file and allowing costs to be paid at the time of need.

These prices are effective December 6, 2024 and are subject to change without notice
