A representative of the **Missionary Sisters of the Holy Rosary** will be with us on the weekend of **June 6 & 7**. The community was founded in Ireland in 1924 to work with the women of Nigeria. The Missionary Sisters of the Holy Rosary are now an international community working in 9 countries of Africa & Brazil. They serve in all forms of education, medical work, pastoral work, community development and agriculture and assisting trafficked women, internally displaced families and the homeless. They are a strictly missionary group with no institutions in the United States or Canada, so therefore rely almost exclusively on funds provided through the society for the propagation of the Faith and the generosity of the people here to support their sisters on mission. The Sisters ask for your prayers of support as well as for any contribution you can make to assist them. You will be remembered in their daily prayer.

If you would like to read more about them, visit their website: www.mshr.org
