## Our President's Letter

### **Veronica Maldonado-Torres** **President and CEO** **Georgia Hispanic Chamber of Commerce**

Dear Distinguished Leaders, Honorees, and GHCC Familia,

Today we come together to celebrate the 50 Most Influential Latinos in Georgia as we proudly open Hispanic Heritage Month. This recognition honors not only the remarkable achievements of our honorees but also the leadership, vision, and dedication shaping the future of our community and our state.

Our honorees—representing diverse industries and talents—have been instrumental in strengthening Georgia's economy and elevating opportunities for all. Their resilience, courage, and commitment to service lay the foundation for the next generation of innovators and changemakers. Together, we are building bridges that ensure the Hispanic community continues to thrive and lead in an ever-changing landscape.

The Georgia Hispanic Chamber of Commerce proudly champions the truth that Hispanic/Latinos are not only contributors, but a driving economic engine of this state. Our businesses generate jobs, fuel innovation, and expand opportunity across every sector. As a community, we embody resilience, vision, and entrepreneurial strength, and we are shaping Georgia's future with every step we take.

To this year's honorees, congratulations! Your success is proof of our collective impact and a reminder that our influence is unstoppable when we stand united. Most importantly, your legacy will inspire the youth of tomorrow, showing them that their dreams are possible, their voices matter, and their leadership can transform communities. Together, we are building not only prosperity for today but a brighter, more powerful future for generations to come.

Finally, a heartfelt thank you to our partners and sponsors who invest in today's celebration and in tomorrow's leadership. Your belief in our mission ensures that Hispanic voices, businesses, and leaders continue to thrive, leaving an enduring impact on Georgia and beyond.

Keep leading forward!
