COMMUNITY NOTE

As the international community mobilizes to support Venezuela, we are sharing these organizations and local drives as a resource—not because they are the only ones doing important work.

If you know of another trusted organization or collection effort, please share it with us so we can amplify their impact and connect more people with meaningful ways to help.

DISCLAIMER:

The Georgia Hispanic Chamber of Commerce is sharing these resources through GHCC CARES as a public service. Inclusion on this list does not constitute an endorsement, sponsorship, or verification of any specific organization, collection drive, or fundraising campaign. Please conduct your own due diligence and donate through official organization websites or verified community partners. This list is not exhaustive and may continue to evolve.

Thank you 
for showing up, lending a hand, and making a difference.
