### Welcome!

HAMMONTON CANCER FOUNDATION

I would like to take a moment to thank all of the businesses, civic organizations, local law enforcement, fire departments, community leaders, members of the Hammonton Cancer Foundation and all of you.....our guests, for your generosity and continued support.

It is with great pleasure and the continued works of our members that we have been able to grow each and every year. To this point, we have been able to donate in excess of \$400,000 to help patients in our community and the surrounding areas. Our members work tirelessly, volunteering their time and money to help others in need.

We are very pleased to be able to hold our 13th dinner in this our 15th year in existence. The support that we have received over the past 2 years has enabled our organization to continually support groups in our surrounding areas including the South Jersey Cancer Fund, the South Jersey Breast Cancer Coalition and Toast Pink.

Thank you for 15 years of "Helping Our Neighbors"!
