Summer Sunday Series A 2-Gun Rimfire Match

May 3rd June 7th July 5th August 2nd September 6th

Awards: October 11th during CWC membership meeting at 6pm

FAMILY-FRIENDLY

BEGINNER-FRIENDLY

A timed, 2-Gun event where you shoot the targets in the order that is described in the stage instructions (posted the day of).
5 stages, each stage shot one time.

Penalties for missed target and incorrect order. Number of targets varies, could be 3 to 20 targets per stage.

Distances are such that beginners won't be intimidated and scopes aren't needed. Rifle targets under 20 yards.

No holsters, everything is usually staged on the table or from low ready position or some variation according to stage instructions.

Rifle to Pistol Transitions

Action rimfire, no benchrest; but not tactical; a comfortable middle ground that suits a variety of abilities and price points.
We will have fun but safety is a priority! Strict professional safety protocols will be in place (cold range, 180-degree rule) but we have the freedom to make the stages fun and varied.

ATTENTION BUSINESS OWNERS

There's still time to install solar and receive the 30% Commercial Solar Tax Credit

The federal tax credit is still available for businesses that begin construction by July 4th, 2026, or have projects fully installed by December 31, 2027. This tax credit will typically shorten the payback period for this investment to 7 - 8 years for most businesses.
