Form 990, Part VI, Section B, Line 15:

The finance committee of the board of directors has the responsibility and authority to determine the nature and amount of compensation (including salary & benefits as appropriate to the position and appropriate for California) to be included in the president's contract during the contract process. The HOPE worldwide, LTD board of directors has adopted the "Hay Guide Chart" method of determining reasonable compensation to ensure that nobody at HOPE worldwide, LTD. is excessively compensated. Also, on an annual basis, a review of the president's performance is conducted. In 2018, the board's executive committee reviewed the president's performance and made recommendations where were filed with the human resources department. Any salary increase recommended based on the president's performance would need to be consistent with the Hay Guide Chart and be approved by the finance committee of the board of directors.

The HOPE worldwide, LTD board of directors has adopted the "Hay Guide Chart" method for determining reasonable compensation based upon job size. The Chief Financial Officer, using the job-size and market salary comparisons consistent with the Hay Guide Chart, establishes salary levels and median salaries for each job range. The relevant supervisor may recommend a salary within the Hay model range based on the employee's qualifications as well as budget constraints. The CFO presents that information to the Finance committee of the board of directors for its review. Ultimately, the finance committee's recommendations must be
