

KEY BENEFITS

- **Single-piece construction:** Fewer parts, simpler maintenance, reliable service life.
 - **Easy to clean:** Compatible with ultrasonic cleaners and common suppressor cleaning solutions.
 - **Rimfire-optimized:** Tuned geometry provides excellent suppression for rimfire calibers.
 - **Lightweight:** Titanium construction keeps weight minimal for balance and handling.
 - **Pleasing tone:** Designed to reduce dB and deliver a smooth, natural tonal signature.
-

TECHNICAL SPECIFICATIONS

- **Material:** Grade-5 Titanium (Ti-6Al-4V)
- **Full-Auto Rating:** No
- **Length:** 4.5 in
- **Outer Diameter (OD):** 1.125 in
- **Weight:** 3.6 oz
- **Coating Options:** C-Series Cerakote (Black)
- **Mount / Thread:** Direct-thread, 1/2"-28
- **Construction:** Single-piece 3D printed body (no removable end cap)

SUPPORTED CALIBERS:

.22 LR, .22 Short, .22 Long, .22 WMR, .17 HMR, .17 Mach 2.
